*January 24, 2025*

The draft Kitselas Treaty was initialed (“Initialled Version”) on June 24, 2024 by the Chief Negotiators of Kitselas, Canada and British Columbia, subject to the understandings identified at the beginning of the Initialled Version.

The Parties have completed further technical review of the Initialled Version and resolved matters that were outstanding at the time of the initialling and the Chief Negotiators for the Parties have agreed on changes to the Initialled Version.

This version of the Kitselas Treaty (“Ratification Version”) replaces the Initialled Version.

This Ratification Version is subject to the following understandings:

- 1 There may be changes to the Ratification Version as a result of engagement with Kitselas members, ongoing Crown consultation with neighbouring Nations, and internal Kitselas, federal and provincial approval processes. Changes will be available for review by Eligible Voters prior to the vote.
- 2 After the Treaty Ratification Vote on this Agreement by Kitselas, but before the Parties sign this Agreement, the Chief Negotiators on behalf of each Party may agree to minor changes to this Agreement in accordance with paragraph 99 of the General Provisions Chapter.
- 3 Before the Effective Date, the Chief Negotiators for each Party may agree to changes to this Agreement, the Appendices and the Atlas to update information or correct any editing, grammatical or typographical errors and any updated information or corrections may be incorporated in the printing of this Agreement and the Appendices after the Effective Date in accordance with paragraph 100 of the General Provisions Chapter.

- 1.4 This Agreement will be interpreted according to Kitselas Law and the laws of the Province of British Columbia, as applicable.
- 1.5 Where there is a reference to an enactment of the Province of British Columbia or of Canada in this Agreement, that reference will include a reference to every amendment to it, every regulation made under it and any subsequent enactment of like effect and, unless otherwise indicated, all enactments referred to in this Agreement are enactments of the Province of British Columbia.
- 1.6 If any section of this Agreement, or any part of a section, is found to be illegal or unenforceable, that section or part of a section, as the case may be, will be considered separate and severable and the remainder of this Agreement will not be affected and this Agreement will be enforceable to the fullest extent permitted by law.
- 1.7 Each schedule to this Agreement is an integral part of this Agreement as if set out at length in the body of this Agreement.
- 1.8 The provisions of the Management Plan, as amended from time to time, form part of this Agreement and represent further particulars of the covenants of both parties
- 1.9 This Agreement constitutes the entire agreement between the parties and no understanding or agreement, oral or otherwise, exists between the parties with respect to the subject matter of this Agreement except as expressly set out in this Agreement and this Agreement may not be modified except by subsequent agreement in writing between the parties.

- 1.12 Time is of the essence of this Agreement.
- 1.13 Wherever this Agreement provides that an action may be taken, a consent or approval must be obtained or a determination must be made, then you or we, as the case may be, will act reasonably in taking such action, deciding whether to provide such consent or approval or making such determination; but where this Agreement states that you or we have sole discretion to take an action, provide a consent or approval or make a determination, there

will be no requirement to show reasonableness or to act reasonably in taking that action, providing that consent or approval or making that determination.

- 1.14 Any requirement under this Agreement for us to act reasonably shall not require us to act in a manner that is contrary to or inconsistent with Kitselas Law, regulations, or other enactments or any policy, directive, executive direction or other such guideline of general application.
- 1.15 Wherever this Agreement provides that you may not undertake some activity or do something without our prior written approval or consent, our prior approval of the Management Plan will constitute our approval of, or consent to, the activity or thing to the extent the same is specifically and expressly described in the Management Plan and subject always to any conditions or qualifications that may be set in the Management Plan.
- 1.16 In the event of any conflict between the Management Plan and the terms and conditions of any other part of this Agreement, the terms and conditions of any other part of this Agreement shall prevail.

    - (iii) all charges for electricity, gas, water and other utilities supplied to the Land for use by you or on your behalf or with your permission;
  - (b) deliver to us, immediately upon demand, receipts or other evidence of the payment of Realty Taxes and all other money required to be paid by you under this Agreement;
  - (c) observe, abide by and comply with
    - (i) all applicable laws, bylaws, orders, directions, ordinances and regulations of any government authority having jurisdiction, including Kitselas, in any way affecting your use or occupation of the Land or the Improvements including without limitation all laws, bylaws, orders, directions, ordinances and regulations relating in any way to Hazardous Substances, the environment and health and safety, and
    - (ii) the provisions of this Agreement;

  - (ii) abrogate or authorize any infringement of any riparian right of access that may exist over the Land;

and you remain responsible for ensuring that you will not cause any infringement of any such riparian right of access; despite the foregoing, you will be deemed to not be in breach of this subsection so long as:

- (l) if any claim of lien over the Land is made under the *Builders Lien Act* or any similar enactment of Kitselas Law for work performed on or materials supplied to the Land at your request, on your behalf or with your permission, immediately take all steps necessary to have the lien discharged, unless the claim of lien is being contested in good faith by you and you have taken the steps necessary to ensure that the claim of lien will not subject the Land or any interest of yours under this Agreement to sale or forfeiture;
- (m) not cut or remove timber on or from the Land without our prior written consent;
- (n) obtain our prior written consent, which consent may be unreasonably withheld, before permitting any other person to use the Land or Improvements (including without limitation, any copper, coaxial, fibre optic or similar material or device) for any telecommunications purpose;

- (z) on, or before the termination of this Agreement,
  - (i) peaceably quit and deliver to us possession of the Land and, subject to paragraphs (ii), (iii) and (iv), the Improvements in a safe, clean and sanitary condition,
  - (ii) remove from the Land any Improvement you want to remove, if the Improvement was placed on or made to the Land by you, is in the nature of a tenant's fixture normally removable by tenants and is not part of a building (other than as a tenant's fixture) or part of the Land and you are not in default of this Agreement,
  - (iii) not remove any Improvement from the Land if you are in default of this Agreement, unless we direct or permit you to do so under paragraph (iv),
  - (iv) remove from the Land any Improvement that we, in writing, direct or permit you to remove, other than any Improvement permitted to be placed on or made to the Land under a Disposition to an unrelated third party, and
  - (v) unless otherwise specified in the Management Plan, restore the surface of the Land to the condition that the Land was in on «RESTORE\_SURFACE\_DATE», but if you are not directed or permitted to remove an Improvement under paragraph (iv), this paragraph will not apply to that part of the surface of the Land on which that Improvement is located,

and all of your right, interest and estate in the Land will be absolutely forfeited to us, and to the extent necessary, this covenant will survive the termination of this Agreement.

4.2 Except as permitted under section 4.5 or 4.7, you must not, without our prior written consent

- (a) use or occupy the Land for a purpose other than as set out in this Agreement, including [specifically described uses] the Management Plan;
- (b) permit others to use the Land;
- (c) construct, place, add to, affix or make any material changes to the Improvements other than as depicted or authorized in the Management Plan;
- (d) locate any *[list specialized equipment not forming part of Improvements]* on the Land other than as depicted in the Management Plan.

4.3 We may, in addition to imposing other reasonable requirements as conditions which must be satisfied before we grant our consent under section 4.2 or 7.1, require you to:

- (a) submit to us for approval a proposed Site Plan to replace that which is then part of the Management Plan, which proposed Site Plan must take into account the proposed new use of the Land and the proposed change or addition to the Improvements;
- (b) advertise, in the manner required by us, your proposed new use of the Land or proposed change or addition to the Improvements;
- (c) refer, for comment, your proposed new use of the Land or proposed change or addition to the Improvements to those other government ministries, agencies, departments, local governments and others specified by us, and when such comments are received, provide such comments to us; and
- (d) enter into such amendments to this Agreement, including without limitation to Article 3, as we reasonably determine are necessary.

4.4 We will sign the proposed Site Plan submitted under section 4.3 if and when we grant our consent under section 4.2.

4.5 Despite subsection 4.2, but subject always to section 4.10, you may:

- (a) use or permit others to use the Improvements or the antennas, dishes or other communications equipment on the Land for a Communications Use identified in the Management Plan,
- (b) install and use or permit others to install and use additional antennas, dishes or other communications equipment on the Land, or
- (c) cease using or permit others to cease using the Improvements or the antennas, dishes or other communications equipment on the Land for a Communications Use identified in the Management Plan,

but only if:

- (d) such use or cessation of use does not materially change the Improvements or create additional Improvements, and
- (e) not less than 120 days prior to the next anniversary of the Commencement Date after the use begins or ceases (or if there is less than 120 days between such use beginning or ceasing and the next anniversary of the Commencement Date, not less than 120 days prior to the next anniversary of the Commencement Date in respect of which 120 days notice may be provided), you deliver to us written notice of such use beginning or ceasing, which notice must include
  - (i) a proposed Site Inventory to replace the one which is then part of the Management Plan, and

- (ii) a proposed Tower Profile to replace the one which is then part of the Management Plan, which proposed Tower Profile cross-references the Communications Uses specified in the proposed Site Inventory referred to in paragraph (i).

*[these are subject to change dependent on occupier]*

- 4.6 We will sign the proposed Site Inventory and Tower Profile submitted under section 4.5 if you have complied with section 4.5 and are not in default of this Agreement. These documents will not constitute the Site Inventory or Tower Profile under this Agreement unless and until the parties have signed and dated them.
- 4.7 Without affecting the requirements of sections 4.2 and 4.3, we may, at your request, prior to completing the process contemplated by section 4.3, grant our conditional consent to a proposed change to or creation of an addition to the Improvements if the proposed change or addition is, in our opinion, of a minor nature and unlikely to be opposed by the entities referred to in section 4.3(c), provided that in those circumstances, such conditional consent may be withdrawn by us, in our sole discretion, if the referrals and advertising referred to in section 4.3 result in a decision by us to take such action.
- 4.8 If a conditional consent granted by us under section 4.7 is withdrawn, you must, within 120 days of such withdrawal, remove from the Land any Improvements made or antennas, dishes or other communications equipment added under such conditional consent and restore the Land and the Improvements to the condition which existed prior to the granting of such conditional consent, provided that if such removal and restoration reasonably require more than 120 days to complete, you will be deemed to be in compliance with this section if you commence such removal and restoration within such 120 day period and diligently complete them within a reasonable period of time.
- 4.9 If we doubt the consistency of the Management Plan with your actual use of the Land under this Agreement, you must upon our written request made to you not more than once a year, offer to provide transportation for us to the Land, at your expense, at such times during the Term when you are travelling to the Land to maintain any part of the Improvements or antennas, dishes or other communications equipment on the Land. We understand that if such transportation involves air travel, it will be provided from the public airport that is both closest to the Land and accessible by public highway, unless the parties agree to it being provided from another location.
- 4.10 Section 4.5 does not apply to that portion of the Land identified in the attached Legal Description Schedule as the linear corridor for an electrical powerline.
- 4.2 You will not permit any person who enters upon or uses the Land as a result of your use of the Land under this Agreement to do anything you are restricted from doing under this Agreement.
- 4.3 You must not use all or any part of the Land

- (a) for the storage or disposal of any Hazardous Substances; or
- (b) in any other manner whatsoever which causes or contributes to any Hazardous Substances being added or released on, to or under the Land or into the environment from the Land;

unless

- (c) such storage, disposal, release or other use does not result in your breach of any other provision of this Agreement, including without limitation, your obligation to comply with all laws relating in any way to Hazardous Substances, the environment and human health and safety; and
- (d) we have given our prior written approval to such storage, disposal, release or other use and for certainty any such consent operates only as a consent for the purposes of this section and does not bind, limit, or otherwise affect any other governmental authority from whom any consent, permit or approval may be required.

4.4 Despite any other provision of this Agreement you must:

- (a) on the expiry or earlier termination of this Agreement; and
- (b) at any time, if we request and if you are in breach of your obligations under this Agreement relating to Hazardous Substances;

promptly remove from the Land all Hazardous Substances stored, or disposed of, on the Land, or which have otherwise been added or released on, to or under the Land:

- (c) by you; or
- (d) as a result of the use of the Land under this Agreement; or
- (e) if applicable, as a result of the use of the Land under prior agreements for the same purpose;

unless we have given prior written approval expressly allowing specified Hazardous Substances to remain on the Land following the expiry of the Term.

4.5 We may from time to time

- (a) in the event of the expiry or earlier termination of this Agreement;
- (b) as a condition of our consideration of any request for consent to an assignment of this Agreement; or

- (c) if we have a reasonable basis for believing that you are in breach of your obligations under this Agreement relating to Hazardous Substances;

provide you with a written request to investigate the environmental condition of the Land and upon any such request you must promptly obtain, at your cost, and provide us with, a report from a qualified and independent professional who has been approved by us, as to the environmental condition of the Land, the scope of which must be satisfactory to us and which may include all such tests and investigations that such professional may consider to be necessary or advisable to determine whether or not you have complied with your obligations under this Agreement with respect to Hazardous Substances.

- 4.6 You must at our request from time to time, but not more frequently than annually, provide us with your certificate (and if you are a corporation such certificate must be given by a senior officer) certifying that you are in compliance with all of your obligations under this Agreement pertaining to Hazardous Substances, and that no adverse environmental occurrences have taken place on the Land, other than as disclosed in writing to us.

- (f) if this Agreement is taken in execution or attachment by any person; or
- (g) if we require the Land for our own use or, in our opinion, it is in the Kitselas public interest to cancel this Agreement and we have given you 90 days' written notice of such requirement or opinion;

this Agreement will, at our option and with or without entry, terminate and your right to use and occupy the Land will cease.

8.2 You agree with us that

- (a) you will make no claim against us for compensation, in damages or otherwise, upon the lawful termination of this Agreement under section 8.1;
- (b) if you default on any of the covenants or obligations on your part required to be kept or performed and you fail to rectify such default or failure within the time period specified in a written notice from us requesting you to do so, we may perform or cause to be performed any of such covenants or obligations or any part thereof and all expenses incurred and expenditures made by or on behalf of the us shall forthwith be paid by you to us.
- (c) our remedies under this Article are in addition to those available to us under applicable law including Kitselas Law.

## ARTICLE 9 - DISPUTE RESOLUTION

- 9.1 If any dispute arises under this Agreement, before resorting to litigation the parties will make reasonable efforts to resolve the dispute within 60 days of the dispute arising (or within such other time period agreed to by the parties) and, subject to applicable laws, provide candid and timely disclosure to each other of all relevant facts, information and documents to facilitate those efforts.

- 9.2 Notwithstanding section 9.1, either party may, at any time, apply to a court of competent jurisdiction for interim, injunctive or conservatory relief.

#### ARTICLE 10 - NOTICE

- 10.1 Any notice required to be given by either party to the other will be deemed to be given if mailed by prepaid registered mail in Canada or delivered to the address of the other as follows:

In the event of any disruption, strike or interruption in the Canadian postal service after mailing and prior to receipt or deemed receipt, the notice shall be re-sent by courier or other means of actual delivery.

- 10.2 In order to expedite the delivery of any notice required to be given by either party to the other, a concurrent facsimile copy or other electronic copy of any notice will, where possible, be provided to the other party but nothing in this section, and specifically the lack of delivery of a facsimile copy or other electronic copy of any notice, will affect the deemed delivery provided in section 10.1.
- 10.3 The delivery of all money payable to us under this Agreement will be effected by hand, courier or prepaid regular mail to the address specified above, or by any other payment procedure agreed to by the parties, such deliveries to be effective on actual receipt.

**ARTICLE 11 - MISCELLANEOUS**

- 11.1 No provision of this Agreement will be considered to have been waived unless the waiver is in writing, and a waiver of a breach of a provision of this Agreement will not be construed as or constitute a waiver of any further or other breach of the same or any other provision of this Agreement, and a consent or approval to any act requiring consent or approval will not waive or render unnecessary the requirement to obtain consent or approval to any subsequent same or similar act.
- 11.2 No remedy conferred upon or reserved to us under this Agreement is exclusive of any other remedy in this Agreement or provided by law, but that remedy will be in addition to all other remedies in this Agreement or then existing at law, in equity or by statute.
- 11.3 The grant of a sublicense, assignment or transfer of this Agreement does not release you from your obligation to observe and perform all the provisions of this Agreement on your part to be observed and performed unless we specifically release you from such obligation in our consent to the sublicense, assignment or transfer of this Agreement.
- 11.4 This Agreement extends to, is binding upon and enures to the benefit of the parties, their heirs, executors, administrators, successors and permitted assigns.
- 11.5 If, due to a strike, lockout, labour dispute, act of God, inability to obtain labour or materials, law, ordinance, rule, regulation or order of a competent governmental authority, enemy or hostile action, civil commotion, fire or other casualty or any condition or cause beyond your reasonable control, other than normal weather conditions, you are delayed in performing any of your obligations under this Agreement, the time for the performance of that obligation will be extended by the time reasonably required to perform the obligation provided that:
- (a) you give notice to us within 30 days of the commencement of the delay setting forth the nature of the delay and an estimated time frame for the performance of your obligation; and
  - (b) you diligently attempt to remove the delay.
- 11.6 You acknowledge and agree with us that
- (a) this Agreement has been granted to you on the basis that you accept the Land on an “as is” basis;
  - (b) without limitation we have not made, and you have not relied upon, any representation or warranty from us as to
    - (i) the suitability of the Land for any particular use, including the use permitted by this Agreement;

- (ii) the condition of the Land (including surface and groundwater), environmental or otherwise, including the presence of or absence of any toxic, hazardous, dangerous or potentially dangerous substances on or under the Land and the current and past uses of the Land and any surrounding land and whether or not the Land is susceptible to erosion or flooding;
  - (iii) the general condition and state of all utilities or other systems on or under the Land or which serve the Land;
  - (iv) the zoning of the Land and the bylaws of any government authority which relate to the development, use and occupation of the Land;
  - (v) the application of any federal or provincial enactment or law to the Land; and
  - (vi) the existence, availability or quality of access or service to the Land now or in the future;
- (c) you have been afforded a reasonable opportunity to inspect the Land or to carry out such other audits, investigations, tests and surveys as you consider necessary to investigate those matters set out in subsection (b) to your satisfaction before entering into this Agreement;
- (d) you waive, to the extent permitted by law, the requirement if any, for us to provide you with a “site disclosure statement” under the *Environmental Management Act*;
- (e) we are under no obligation, express or implied, to provide financial assistance or to contribute toward the cost of servicing, creating or developing the Land or the Improvements and you are solely responsible for all costs and expenses associated with your use of the Land and the Improvements for the purposes set out in this Agreement; and
- (f) we are under no obligation to provide access or services to the Land or to maintain or improve existing access roads.

11.7 You agree with us that nothing in this Agreement constitutes you as our agent, joint venturer or partner or gives you any authority or power to bind us in any way.

The parties have executed this Agreement as of the date of reference of this Agreement.

**ARTICLE 4 - OBLIGATIONS**

- 4.1 You must
- (a) pay, when due,
    - (i) the Fees to us at the address set out in Article 10,
    - (ii) the Realty Taxes, and
    - (iii) all charges for electricity, gas, water and other utilities supplied to the Land for use by you or on your behalf or with your permission;
  - (b) deliver to us, immediately upon demand, receipts or other evidence of the payment of Realty Taxes and all other money required to be paid by you under this Agreement;
  - (c) observe, abide by and comply with
    - (i) all applicable laws, bylaws, orders, directions, ordinances and regulations of any government authority having jurisdiction, including Kitselas, in any way affecting your use or occupation of the Land or the Improvements including without limitation all laws, bylaws, orders, directions, ordinances and regulations relating in any way to Hazardous Substances, the environment and health and safety, and
    - (ii) the provisions of this Agreement;
  - (d) in respect of the use of the Land by you or by any person who enters upon or uses the Land as a result of your use of the Land under this Agreement, keep the Land and the Improvements in a safe, clean and sanitary condition satisfactory to us, and at our written request, rectify any failure to comply with such a covenant by making the Land and the Improvements safe, clean and sanitary;

  - (h) within 3 months of a written request from us, provide us with a decommissioning or
-

- reclamation plan, in a form acceptable to us, that meets the requirements set out in this agreement, including the Management Plan if applicable;
- (i) provide to us, within 30 days of receiving a request from us, all reports and records we may request from you concerning your activities under this Agreement and all other matters related to this Agreement;
  - (j) not make, construct, place, anchor, or affix any Improvements in, on, or to the Land or otherwise use the Land in a manner that will interfere with any person's riparian right of access over the Land and you acknowledge and agree that the granting of this Agreement and our approval of the Improvements under this Agreement, whether through our approval of a Management Plan or otherwise, do not:
    - (i) constitute a representation or determination that such Improvements will not give rise to any infringement of any riparian right of access that may exist over the Land; or
    - (ii) abrogate or authorize any infringement of any riparian right of access that may exist over the Land;

and you remain responsible for ensuring that you will not cause any infringement of any such riparian right of access; despite the foregoing, you will be deemed to not be in breach of this subsection so long as:

- (iv) each owner of any upland property adjacent to the Land whose rights of riparian access are infringed by your activities undertaken within the Land remains bound by an agreement in which that owner consents to any such infringement. Any such agreement must be in a form and on terms acceptable to us, including, if we so require that the agreement be in a form appropriate for registration in a Land Title Office against the title of the upland property.

You acknowledge that if any such agreement ceases to be binding on an upland owner or is found to be ineffective or unenforceable for any reason then you remain responsible for complying with this subsection and we may terminate this Agreement in accordance with Article 8 if you fail to satisfy your obligations under this subsection;

- (k) pay all accounts and expenses as they become due for work performed on or materials supplied to the Land at your request, on your behalf or with your permission, except for money that you are required to hold back under the *Builders Lien Act* or any similar enactment of Kitselas Law;

- 
- (l) if any claim of lien over the Land is made under the *Builders Lien Act* or any similar enactment of Kitselas Law for work performed on or materials supplied to the Land at your request, on your behalf or with your permission, immediately take all steps necessary to have the lien discharged, unless the claim of lien is being contested in good faith by you and you have taken the steps necessary to ensure that the claim of lien will not subject the Land or any interest of yours under this Agreement to sale or forfeiture;
  - (m) not cut or remove timber on or from the Land without our prior written consent;
  - (n) obtain our prior written consent, which consent may be unreasonably withheld, before permitting any other person to use the Land or Improvements (including without limitation, any copper, coaxial, fibre optic or similar material or device) for any telecommunications purpose;
  - (o) maintain all Improvements on the Land in good order and condition and in a safe, clean and sanitary state of repair, to our satisfaction;
  - (p) not dredge or excavate the Land or deposit on the Land, or any part of it, any earth, fill or other material for the purpose of filling in or raising the level of the Land unless you obtain our prior written approval;
  - (q) not alter, repair or add to any Improvement that was, or may be, placed on or made to the Land under another Disposition or in connection with the use of Land apart from this Agreement, unless you obtain our prior written approval;
  - (r) at our written request and at your expense, construct fences in the locations on the Land and to the standards required by us within the time specified by us;

  - (u) at our request and at your expense, have a British Columbia Land Surveyor conduct a survey that shows the location of all Improvements, roads, buildings and other structures owned, placed on, constructed or used by you on the Land within one year of the date of the request;
  - (v) take all reasonable precautions to avoid disturbing or damaging any archaeological material found on or under the Land and, upon discovering any Artifact or Feature on or under the Land, you must:
-

- (i) promptly notify Kitselas;
  - (ii) immediately cease any further activity that could affect the Artifact or Feature;
  - (iii) take reasonable measures to protect the Artifact or Feature; and
  - (iv) comply with the direction of a lawful authority in relation to the handling of the Artifact or Feature, which may include compliance with a Kitselas' cultural heritage policy;
- (w) permit us, or our authorized representatives, to enter on the Land at any time to inspect the Land and the Improvements, including without limitation to test and remove soil, groundwater and other materials and substances, provided that we take reasonable steps to minimize any disruption of your operations;
- (x) indemnify and save us and our servants, employees and agents harmless against all claims, actions, causes of action, losses, damages, costs and liabilities, including fees of solicitors and other professional advisors, arising out of one or more of the following:
- (i) any breach, violation or non-performance of a provision of this Agreement,
  - (ii) any conflict between your use of the Land under this Agreement and the lawful use of the Land by any other person, and
  - (iii) any personal injury, bodily injury (including death) or property damage occurring or happening on or off the Land by virtue the entry upon, use or occupation of the Land by you or by those for whom you are responsible in law,
- and the amount of all such losses, damages, costs and liabilities will be payable to us immediately upon demand; and
- (y) on, or before the termination of this Agreement,
- (i) peaceably quit and deliver to us possession of the Land and, subject to paragraphs (ii), (iii) and (iv), the Improvements in a safe, clean and sanitary condition,
  - (ii) remove from the Land any Improvement you want to remove, if the Improvement was placed on or made to the Land by you, is in the nature of a tenant's fixture normally removable by tenants and is not part of a building (other than as a tenant's fixture) or part of the Land and you are not in default of this Agreement,
  - (iii) not remove any Improvement from the Land if you are in default of this Agreement, unless we direct or permit you to do so under paragraph (iv),

- (iv) remove from the Land any Improvement that we, in writing, direct or permit you to remove, other than any Improvement permitted to be placed on or made to the Land under a Disposition to an unrelated third party, and
- (v) unless otherwise specified in the Management Plan, restore the surface of the Land to the condition that the Land was in on «RESTORE\_SURFACE\_DATE», but if you are not directed or permitted to remove an Improvement under paragraph (iv), this paragraph will not apply to that part of the surface of the Land on which that Improvement is located,

and all of your right, interest and estate in the Land will be absolutely forfeited to us, and to the extent necessary, this covenant will survive the termination of this Agreement.

4.2 You will not permit any person who enters upon or uses the Land as a result of your use of the Land under this Agreement to do anything you are restricted from doing under this Agreement.

4.3 You must not use all or any part of the Land

- (a) for the storage or disposal of any Hazardous Substances; or
- (b) in any other manner whatsoever which causes or contributes to any Hazardous Substances being added or released on, to or under the Land or into the environment from the Land;

unless

- (c) such storage, disposal, release or other use does not result in your breach of any other provision of this Agreement, including without limitation, your obligation to comply with all laws relating in any way to Hazardous Substances, the environment and human health and safety; and
- (d) we have given our prior written approval to such storage, disposal, release or other use and for certainty any such consent operates only as a consent for the purposes of this section and does not bind, limit, or otherwise affect any other governmental authority from whom any consent, permit or approval may be required.

4.4 Despite any other provision of this Agreement you must:

- (a) on the expiry or earlier termination of this Agreement; and
- (b) at any time, if we request and if you are in breach of your obligations under this Agreement relating to Hazardous Substances;

promptly remove from the Land all Hazardous Substances stored, or disposed of, on the Land, or which have otherwise been added or released on, to or under the Land:

- (c) by you; or
- (d) as a result of the use of the Land under this Agreement; or
- (e) if applicable, as a result of the use of the Land under prior agreements for the same purpose;

unless we have given prior written approval expressly allowing specified Hazardous Substances to remain on the Land following the expiry of the Term.

4.5 We may from time to time

- (f) in the event of the expiry or earlier termination of this Agreement;
- (g) as a condition of our consideration of any request for consent to an assignment of this Agreement; or
- (h) if we have a reasonable basis for believing that you are in breach of your obligations under this Agreement relating to Hazardous Substances;

provide you with a written request to investigate the environmental condition of the Land and upon any such request you must promptly obtain, at your cost, and provide us with, a report from a qualified and independent professional who has been approved by us, as to the environmental condition of the Land, the scope of which must be satisfactory to us and which may include all such tests and investigations that such professional may consider to be necessary or advisable to determine whether or not you have complied with your obligations under this Agreement with respect to Hazardous Substances.

4.6 You must at our request from time to time, but not more frequently than annually, provide us with your certificate (and if you are a corporation such certificate must be given by a senior officer) certifying that you are in compliance with all of your obligations under this Agreement pertaining to Hazardous Substances, and that no adverse environmental occurrences have taken place on the Land, other than as disclosed in writing to us.

- (d) you have no right to compensation from us and you release us from all claims, actions, causes of action, suits, debts and demands that you now have or may at any time in the future have against us arising out of any conflict between your use of the Land under this Agreement and any use of, or impact on the Land arising from the exercise, or operation of the interests, rights, privileges and titles described in subsections (a), (b), and (c);
- (e) this Agreement does not limit any right to notice, compensation or any other benefit that you may be entitled to from time to time under the enactments described in subsection (b), or any other applicable enactment;

- (h) except as otherwise authorised in this Agreement, you will not interfere with lawful public access over the Land;
- (i) you will make no claim against us or any person acting under the authority of Kitselas Law, or any other applicable enactment, for compensation, in damages or otherwise, if the Land becomes unsuitable for the purposes set out in this Agreement;

- (j) notwithstanding anything to the contrary in this Agreement, if we, in our sole discretion, determine that the Land is required for flooding purposes in connection with a hydro electric power project, we may cancel this Agreement on 90 days written notice to you, and where we cancel this Agreement under this provision, neither you nor any person claiming under you shall be entitled to any form of compensation;
- (k) you are aware of and, on behalf of yourself and your heirs, executors, administrators, successors and assigns, hereby acknowledge that there is a potential flood, erosion and debris flow danger to the Land from water hazards, including «WATER\_HAZARD\_NAME»;

- (m) you will not remove or permit the removal of any Improvement from the Land except as expressly permitted or required under this Agreement;
- (n) any interest you may have in the Improvements ceases to exist and becomes our property upon the termination of this Agreement, except where an Improvement may be removed under paragraph 4.1(y)(ii) or is required to be removed under (iv), in which case any interest you may have in that Improvement ceases to exist and becomes our property if the Improvement is not removed from the Land on termination or within the time period provided for in the direction or permission given under paragraph 4.1(y)(iv); and
- (o) if, after the termination of this Agreement, we permit you to remain in possession of the Land and we accept money from you in respect of such possession, a tenancy from year to year will not be created by implication of law and you will be deemed to be a monthly occupier only, and you will continue to be subject to all of the provisions of this Agreement, except as to duration, in the absence of a written agreement to the contrary.

## ARTICLE 6 - SECURITY AND INSURANCE

- 6.5 You acknowledge that we may, from time to time, notify you to

- (a) undertake activities permitted under this Agreement having regard to the impact on the Environment, and will take prudent measures to minimize any danger or disruption to the Environment;
- (b) pay and discharge when due all applicable taxes, levies, charges and assessments now or hereafter assessed, levied or charged to the account of Hydro which relate to the Works and which Hydro is liable to pay;
- (c) keep the portions of the Right of Way Area used by Hydro under this Agreement in a safe, clean and sanitary condition to the extent the condition relates to the use or occupation of the Right of Way Area by Hydro, and on written notice from the Grantor, make safe, clean, and sanitary any portion of the Right of Way Area that contravenes the provisions of this covenant, provided that Hydro has no obligation to keep any portion of the Right of Way Area suitable for use by anyone except Hydro;
- (d) bury and maintain all underground Works as may be required so as not to unduly interfere with the drainage of the Right of Way Area;
- (e) not bury debris or rubbish of any kind on the Right of Way Area in excavations or backfill, and will remove shoring and similar temporary structures as backfilling proceeds;
- (f) if Hydro unearths or discovers any Artifact or Feature on the Lands, and there is no previously agreed upon mitigation or management plan with Kitselas:
  - (i) promptly notify Kitselas;
  - (ii) immediately cease any further activity that could affect the Artifact or Feature;
  - (iii) take reasonable measures to protect the Artifact or Feature; and

- (iv) comply with the direction of a lawful authority in relation to the handling of the Artifact or Feature, which may include compliance with a Kitselas' cultural heritage policy;
  - (g) not commit any voluntary or permissive waste, spoil or destruction on the Right of Way Area, or do anything thereon that may be or become a nuisance or annoyance to the Grantor, except to the extent required by Hydro, acting reasonably, to exercise its rights under this Agreement;
  - (h) provide written notice to the Grantor, except in the event of an imminent Risk or Hazard, in which case Hydro will give notice as soon as possible, prior to:
    - (i) constructing drainage works;
    - (ii) undertaking works to maintain slope stability; or
    - (iii) undertaking work within a Fish Bearing Stream,within the Right of Way Area, and, subject to its regulatory obligations, will give reasonable consideration to any concerns raised by the Grantor with respect to the proposed work; and
- 4.2 If Hydro contemplates a project that includes a physical reconfiguration of the existing Works within the Right of Way Area for the purpose of an increase to the transmission line capacity and that may result in new potential adverse impacts on Kitselas Exercisable Section 35 Rights (as defined in the Kitselas Treaty), Hydro will:
- (a) provide written notice of any proposed reconfiguration and any potential alternatives;
  - (b) provide all information that Kitselas, acting reasonably, considers necessary and reasonable time and resources to permit Kitselas to prepare its views regarding any potential adverse impacts on Kitselas Exercisable Section 35 Rights;
  - (c) provide opportunities for Kitselas to present its views for discussion with Hydro;
  - (d) seriously consider the views expressed by Kitselas, including but not limited to any alternatives proposed by Kitselas and any relevant Indigenous knowledge;
  - (e) discuss and provide feedback to Kitselas during the planning and decision-making processes regarding options to avoid impacts on Kitselas Exercisable Section 35 Rights that may be caused by the proposed reconfiguration and alternatives; and
  - (f) if there may be new adverse impacts to Kitselas Exercisable Section 35 Rights arising from the proposed reconfiguration:
    - (i) ensure that reasonable design and construction measures are identified, proposed and implemented to avoid or mitigate such impacts; and
    - (ii) if such impacts cannot be avoided, identify, propose and implement other

accommodation measures,

taking into account the severity of the potential impacts, and

BC Hydro and Kitselas further agree that:

- (g) the Hydro commitments in subsections (a) to (f) do not arise in respect to:
  - (i) regular maintenance and sustainment of the Works, including replacement of the parts or equipment required to sustain the condition of the Works and meet changing industry standards over time; or
  - (ii) work that is reasonably required in order to protect the Works or persons or property that may be at risk in the event of an emergency or imminent Risk or Hazard;
- (h) Hydro will carry out the process set out in subsections (a) to (f) with a view to trying to obtain Kitselas's free, prior and informed consent for the proposed reconfiguration; and
- (i) either Hydro or Kitselas may notify British Columbia of any disputes in relation to any proposed physical reconfiguration of existing works or the implementation thereof, with a view to engaging in collaborative dispute resolution.

4.3 The Grantor may, at its expense, at all reasonable times, visually inspect the Right of Way Area and the Works, or carry out tests, surveys and inspections that do not interfere with the Works. If the Grantor requires access to any part of the Right of Way Area that has been fenced off or enclosed by Hydro, the Grantor will notify Hydro, which will provide such safe access as may be reasonably required by the Grantor.

## **5.0 RELOCATION OF WORKS DUE TO CHANGE**

5.1 If a change occurs to the Right of Way Area, such as erosion, which for any reason makes the continued use of any portion of the Right of Way Area unsuitable for any of the Works, and such portion of the Right of Way Area cannot practicably be repaired or rebuilt, then Hydro will have the right to relocate those Works to a new location on the Lands, provided:

- (a) Hydro delivers a work plan to the Grantor identifying the area it is proposing to use for the relocation of the Works and proceeds in accordance with the requirements of Article 6.0;
- (b) the work plan will take into account any likely material effect of the relocated Works on the Right of Way Area;
- (c) the relocated Works will be subject to the terms and conditions of this Agreement;
- (d) the cost of such relocation will be borne by Hydro; and

- (e) the Grantor gives its approval of the new location after taking into account the cost efficiencies of the location selected by Hydro for the relocated Works, relative to alternative locations.
- 5.2 After any relocation in accordance with Section 5.1, Hydro will obtain an appropriate plan or survey of the relocated Works by a British Columbia Land Surveyor to identify the new Right of Way Area for the purposes of Section 2.1, and will deliver such plan or survey to the Grantor for its review and approval. The parties will execute and deliver a modification of this Agreement in order to duly incorporate the amended plan or survey.

## **6.0 WORK PLANS**

- 6.1 Except in the case of an emergency or imminent Risk or Hazard, Hydro will provide to the Grantor a written work plan before:
- (a) constructing a new Access Area pursuant to 2.1(i); or
  - (b) undertaking any relocation of any Works pursuant to Article 5.
- 6.2 The Grantor will provide comments in writing to Hydro no more than 60 days after the delivery of a work plan to the Grantor pursuant to Section 6.1. Hydro will make reasonable efforts to accommodate any suggestions or requests made by the Grantor, taking into account potential impacts to fish bearing streams and archaeological or cultural resources, with the goal of reaching agreement on a work plan within 90 days of delivery of a work plan to the Grantor. If no comments are received, Hydro may proceed with the work.
- 6.3 The Grantor will act reasonably in providing comments on a work plan, including taking into consideration the effects and benefits of the proposed work, the cost of the proposed work compared to the cost of alternate solutions, and any risks that may be associated with not undertaking the work. Hydro will act reasonably in responding to the comments.
- 6.4 If the parties are not able to reach agreement on a work plan within 90 days of delivery of a work plan to the Grantor, either party may refer the matter to dispute resolution under Article 14.
- 6.5 In the event of an emergency or imminent Risk or Hazard, Hydro may immediately undertake work and take such steps on the Right of Way Area as are reasonably required in order to protect the Works or persons or property that may be at risk, and in that event Hydro will as soon as reasonably possible notify the Grantor.
- 6.6 Hydro will, upon request, pay compensation to the Grantor for any loss or damage to the affected property resulting from any error, negligence or omission in the implementation of the work plan, on the same basis as Hydro would compensate other parties suffering comparable loss or damage. If Hydro disputes that it has an obligation to pay compensation or disputes the amount claimed, the dispute may be referred to dispute resolution under Article 14 by any of the parties.

**7.0 RELOCATION OF WORKS AT THE REQUEST OF THE GRANTOR**

- 7.1 If the Grantor requires a portion of the Right of Way Area for other purposes, then upon written request by the Grantor, Hydro will relocate any Works in the Right of Way Area to a new location on the Kitselas Treaty lands, provided:
- (a) the new location is, in the reasonable opinion of Hydro, suitable for use for the relocated Works considering engineering feasibility, construction, maintenance and operation, safety, and cost factors;
  - (b) the Grantor gives Hydro reasonable notice to permit proper design, planning and construction of the Works to be relocated;
  - (c) before relocation, the Grantor has paid the reasonable costs and expenses of the relocation, including costs of design, supervision and construction as estimated by Hydro, with appropriate adjustments based on actuals, after the relocation is complete; and
  - (d) the relocated Works will be subject to the terms and conditions of this Agreement.
- 7.2 After any relocation in accordance with Section 7.1, Hydro will obtain an appropriate plan or survey of the relocated Works by a British Columbia Land Surveyor to identify the new Right of Way Area for the purposes of Section 2.1, and will deliver such plan or survey to the Grantor for its review and approval. Following approval by the Grantor, the parties will execute and deliver a modification of this Agreement in order to duly incorporate the amended plan or survey.

**8.0 REMOVAL OF WORKS**

- 8.1 If Hydro determines that it no longer requires all or a portion of the Right of Way Area, then Hydro will, in respect of such Right of Way Area or portion thereof:
- (a) provide notice to the Grantor;
  - (b) remove all above ground Works, unless otherwise agreed between the Parties and such other Works as the Parties may agree;
  - (c) fix all damage to the Right of Way Area caused by the removal of the Works within a reasonable period of time, including revegetation with suitable grass seed where reasonably appropriate;
  - (d) leave the Right of Way Area, or portion thereof that is no longer required, as the case may be:
    - (i) in a safe, clean and sanitary condition (as it would be maintained by a prudent owner in occupation), to the extent the condition relates to the use or occupation of the Right of Way Area by Hydro; and

- (ii) free from all waste, debris, and things owned or left on the Right of Way Area by Hydro (including trade fixtures, inventory, and other personal property), except as otherwise provided in this section; and
  - (e) quit peaceably the Right of Way Area, or portion thereof that is no longer required, as the case may be and, where applicable, amend this Agreement to remove the portion no longer required from the Right of Way Area.
- 8.2 Any Works permitted to remain under subsection 8.1(b) will be absolutely forfeited to and become the property and responsibility of the Grantor. Hydro will remain liable for any environmental damage to the Right of Way Area arising from any other Works that remain on or in the Right of Way Area or portion thereof, except that, if the Grantor uses or authorizes the use of any of such remaining Works for any purpose, Hydro will not be liable for any environmental damage to the Right of Way Area to the extent caused by the Grantor's use or authorized use of the remaining Works.
- 8.3 This Article will survive the termination of this Agreement.

## **9.0 COVENANTS OF THE GRANTOR**

9.1 The Grantor covenants that:

- (a) Hydro will and may peaceably enjoy and hold its rights under this Agreement without any interruption, disturbance, molestation or hindrance from the Grantor or any other person for whom the Grantor is responsible at law, provided that nothing in this subsection 9.1(a) will limit the Grantor's right of inspection in Section 4.2;
- (b) if the Grantor attempts to enforce against Hydro any by-law, law, regulation, standard or requirement in relation to the Works, or in relation to their respective rights or obligations under this Agreement, that frustrates, or creates an unreasonable delay, condition, limit or impairment of Hydro's authorized use of the Right of Way Area, then the Grantor will indemnify and hold harmless Hydro or TELUS, as the case may be, from and against any resulting additional costs. This indemnity is personal to the original Grantor and not binding on any subsequent owner of the Lands or part thereof, so that the Grantor will be bound by this indemnity notwithstanding any transfer of the Lands or part thereof.
- (c) the Grantor will not permit or make, place, erect, operate, use or maintain any building, structure, foundation, pavement, excavation, well, fill, pile of material, obstruction, equipment, thing or inflammable substance, or plant any vegetation upon the Right of Way Area, if any such action or thing, in the reasonable opinion of Hydro:
  - (i) may interfere with or endanger the Works or any part thereof or the installation, operation, maintenance, removal or replacement of the Works or any part thereof;

- (ii) may obstruct access to the Works or any part thereof by those authorized by Hydro; or
- (iii) may by its operation, use, maintenance, or existence create or increase any Risk or Hazard;
- (d) the Grantor will not diminish or increase the ground elevation in the Right of Way Area by any method, including piling any material or creating any excavation, drain, or ditch in the Right of Way Area, unless permission in writing from Hydro has first been received;
- (e) the Grantor will not carry out blasting or aerial logging operations on or near the Right of Way Area without prior written permission from Hydro, not to be unreasonably withheld;
- (f) the Grantor will not use or authorize the use of the portions of the Right of Way Area for the regular, or organized parking of vehicles without the prior written permission from Hydro, not to be unreasonably withheld, provided that nothing in this subsection is intended to prevent safe temporary parking of vehicles;
- (g) the Grantor will not park, or authorize to be parked on the Right of Way Area any vehicle or equipment if the parking of such vehicle does not comply with the requirements of the Canadian Standards Association's Canadian Electrical Code, as may be amended from time to time;
- (h) the Grantor will not use, or authorize the use of the Right of Way Area for fuelling any vehicle or equipment;
- (i) the Grantor will not do or authorize any act or thing that injures or endangers the Works;
- (j) the Grantor will not use or authorize the use of the Right of Way Area for any purpose that would create a Risk or Hazard or would interfere with Hydro's exercise of rights under this Agreement;
- (k) the Grantor will not close an Access Area, or portion thereof, without the consent of Hydro, not to be unreasonably withheld; and
- (l) subject to Section 4.1(b) and except as specifically provided for in this Agreement, the Grantor will not assess any fee, charge, toll, levy or expense on or in connection with the rights herein granted.

## **10.0 COMPENSATION FOR DAMAGE**

- 10.1 If, contrary to the terms of this Agreement, Hydro or its contractors, damage any structures, buildings, fixtures, improvements, chattels, crops, merchantable timber, livestock, drains, ditches, culverts, fences, or Access Areas, and such damage or contamination is not caused as a result of the Grantor's breach of the terms of this Agreement or the negligence or wilful act

of the Grantor or its contractors, agents or permittees or those for whom it is responsible in law, then Hydro will, within a reasonable period of time:

- (a) repair in a good and workman-like manner any damaged structure, building or improvement, as closely as is practicable to its condition immediately prior to the damage but will otherwise have no liability or responsibility for any maintenance or repair of Access Areas;
- (b) remediate any other kind of damage or contamination; or
- (c) where it is not practical to repair or remediate, compensate the Grantor, or if appropriate, a person in the affected area who suffers any loss as a result of the damage or contamination, to the extent that such damage or contamination was caused by Hydro.

10.2 Compensation paid to the Grantor for merchantable timber pursuant to section 10.1 will be calculated in accordance with generally accepted principles of timber valuation and on payment, ownership of any timber cut on the Lands under this Agreement will vest in Hydro. At the Grantor's request, the Grantor may retain ownership of any merchantable timber cut on the Lands instead of receiving compensation for the timber.

## **11.0 OBLIGATION RESPECTING THIRD PARTY CLAIMS**

11.1 On written notice and unless prohibited by provincial legislation or its tariff, Hydro will indemnify the Grantor from and against all claims, demands, actions, suits or other legal proceedings brought against the Grantor by any third party by reason of or arising out of:

- (a) any breach, violation or non-performance by Hydro of its covenants, conditions or obligations under this Agreement; or
- (b) any negligent act or omission on the part of Hydro in relation to its Works,

but only to the extent such matter is found to be the responsibility of Hydro and was not contributed to by:

- (i) the negligence of; or
- (ii) the breach, violation, or non-performance of this Agreement

by, the Grantor or those for whom the Grantor is responsible at law, and not for any matters based on nuisance or the rule in *Rylands v. Fletcher*, unless Hydro was negligent.

## **12.0 DEFAULTS AND END OF AGREEMENT**

12.1 The rights granted under this Agreement are for so long as required and will terminate, without compensation to Hydro, when Hydro no longer requires the Right of Way Area for its undertaking and Hydro gives 90 days written notice of termination to the Grantor.

- 12.2 If Hydro fails to perform any of its obligations under this Agreement, the Grantor may deliver a default notice to Hydro. If the default is capable of being cured within 90 days of delivery of the default notice, Hydro will promptly commence to cure the default with all due diligence to completion.
- 12.3 If the default is not reasonably capable of being cured within 90 days of delivery of the default notice, then Hydro will still promptly commence to cure the default with all due diligence to completion. Hydro will, in this case, request the Grantor to approve a further period beyond the 90 days to cure the default.
- 12.4 If Hydro fails to commence and continue with all due diligence to cure the default, then without relieving Hydro of its obligations under this Agreement and without limiting any other right of the Grantor hereunder, the Grantor, after notice to Hydro, may undertake the performance of any necessary work in order to cure the default of Hydro, and the cost of any such work undertaken by the Grantor shall be borne by Hydro. Having commenced such work, the Grantor has no obligation to complete such work.
- 12.5 All remedies of a party, whether existing under this Agreement or at law, may be exercised at the same time. Any action taken for one default does not prevent any action being taken for any other default.
- 12.6 The Grantor has no right to terminate this Agreement for default.

### **13.0 ACCESS TO THE RIGHT OF WAY AREA AFTER AGREEMENT ENDS**

- 13.1 Hydro is entitled to access the Right of Way Area after this Agreement ends at reasonable times and on such reasonable conditions as may be specified by the Grantor, and only to perform any of its obligations that survive the ending of this Agreement.
- 13.2 This Article survives the ending of this Agreement.

### **14.0 DISPUTE RESOLUTION**

- 14.1 Any dispute arising out of or in connection with this Agreement will be resolved as follows:
- (a) the parties will attempt to resolve disputes by negotiations, including timely disclosure of all relevant facts, information and documents;
  - (b) either party may, at any time, by written notice request that the dispute be referred to mediation, conducted by a mediator, knowledgeable about the matters in dispute and agreed upon by the parties;
  - (c) if the dispute is not resolved within 60 days of the notice to mediate under subsection (b), or any further period of time agreed to by the parties, then any party may refer the dispute to a single arbitrator, knowledgeable about the matters in dispute and agreed upon by the parties, for final resolution in accordance with the *Arbitration Act* of British Columbia; and

- (d) if the parties do not commence arbitration within 60 days of the notice to mediate under subsection (b), then any party may refer the matter to a court of competent jurisdiction.
- 14.2 It is not incompatible with this Article for a party to apply to a court of competent jurisdiction at any time for interim or conservatory relief and for the court to grant that relief.

### **15.0 RUNS WITH THE LAND**

- 15.1 Subject to Section 15.2, this Agreement runs with and binds the Right of Way Area to the extent necessary to give full force and effect to this Agreement.
- 15.2 The parties acknowledge that the covenant in subsection 9.1(b) relates to the powers of Kitselas as a government. If Kitselas transfers all or any portion of the Right of Way Area:
- (a) it will continue to be bound directly to Hydro in respect of those covenants that involve its governmental powers, notwithstanding the transfer; and
  - (b) the transferee will have no liability in respect of those covenants that can only be exercised by Kitselas as a government.
- 15.3 Hydro will be entitled to enforce the covenant described in Section 15.2 directly against Kitselas without additional consideration and without an amendment to this Agreement.

### **16.0 NOTICE**

- 16.1 Whenever it is required or permitted that notice or demand be given by any party to the other, the same will be in writing and will be forwarded to the address for that party in the General Instrument – Part 1, or to a current email or other electronic address used for such purposes and notified by that party to the other party.
- 16.2 If any question arises as to the date on which such notice was communicated to any party, it will be deemed to have been given on the earlier of:
- (a) if it was delivered personally, by courier, or by email, on the next business day; or
  - (b) if it was sent by mail, on the sixth day after the notice was mailed.
- In the event of postal disruption or an anticipated postal disruption, notices may not be given by mail.
- 16.3 A party may change their address, and specify an email address by which they may be notified, by giving notice to the other parties in accordance with this provision.

**17.0 GENERAL**

- 17.1 A breach of any term, condition, covenant or other provision of this Agreement may only be waived in writing, and any waiver will not be construed as a waiver of any subsequent breach. Consent to or approval of any act, where consent or approval is required under this Agreement, will not be construed as consent to or approval of any subsequent act. Wherever consent or permission is required under this Agreement, such consent or permission will not be unreasonably delayed, conditioned or withheld.
- 17.2 No remedy set out in this Agreement is exclusive of any other remedy provided by law, but will be in addition to any other remedy existing at law, in equity, or by statute.
- 17.3 The terms and provisions of this Agreement will extend to, be binding upon and enure to the benefit of the parties and their respective successors and assigns.
- 17.4 From and after the date of this Agreement, Hydro will not licence or authorize a third party to attach its works to the Works on the Right of Way Area unless the third party has first obtained consent from the Grantor for such attachment and provided a copy of such consent to Hydro.
- 17.5 For greater certainty, a licence granted by Hydro pursuant to section 17.4 will not grant the licensee the right to use or occupy the Right of Way Area, and the third party will be solely responsible for obtaining its own tenure to the Right of Way Area. Hydro will make reasonable efforts to work with the Grantor to address any third party whose works are attached to the Works without the Grantor's permission, but Hydro will have no obligation to remove the works of any third party who has attached its works to the Works, either before or after the date of this Agreement:
- (a) without the required consent from the Grantor; or
  - (b) whose consent has expired or been revoked.
- 17.6 The Grantor may appoint a delegate to provide Hydro with all commentary, authorizations and approvals required pursuant to this Agreement.
- 17.7 Except where this Agreement expressly provides otherwise, nothing in this Agreement will be interpreted or construed to limit or restrict any rights or obligations that Hydro may have under applicable laws.
- 17.8 Nothing in this Agreement will be interpreted or construed to limit or restrict any rights that Hydro, as a Public Utility, may have as set out under the Kitselas Treaty.
- 17.9 Except as hereinafter specifically provided Hydro retains ownership for all existing Works and Works that it constructs, places or installs on the Right of Way Area, including any underground Works. The Works shall not form part of the freehold regardless of the degree to which they are affixed or attached to the Right of Way Area, and regardless of any damage that may be caused by their removal. Notwithstanding the foregoing, title will pass to the Grantor for Works that:

- (a) Hydro has abandoned with the consent of the Grantor pursuant to section 8.1; or
  - (b) Hydro has forfeited to the Grantor pursuant to section 8.2.
- 17.10 There are no representations, warranties, terms, conditions, undertakings or collateral agreements, either express or implied, between the parties, other than as expressly set forth in this Agreement and in the Kitselas Treaty, which together supersede all prior understandings, communications and agreements between the parties with respect to the subject matter hereof.
- 17.11 This Agreement may not be modified or amended, nor any provision waived, discharged or terminated, except by an instrument in writing signed by the parties.
- 17.12 The parties agree that Hydro will only pay compensation for interference with or damage to the Lands pursuant to this Agreement as provided under section 6.6 and Article 10.0.

  - (c) install, maintain and use gates in any fences that are necessary for access, provided that both the Grantor and Hydro have keys for any lock, or locks are installed in a series to allow for access by both Hydro and the Grantor;
  - (d) with prior notice to the Grantor, cut trees and vegetation that poses a Risk or Hazard, except in the event of an imminent Risk or Hazard, in which case Hydro will give notice as soon as possible;
  - (e) if there are no suitable and available Access Areas, construct a new Access Area, provided Hydro has proceeded in accordance with the requirements of Article 5.0, except in the event of an imminent Risk or Hazard, in which case Hydro will give notice as soon as reasonably possible and then, if requested by the Grantor, Hydro will make reasonable efforts to restore the affected area to its previous condition and compensate for any remaining damage;

- (f) undertake works or other appropriate measures, including the removal of any obstruction or structure, to protect the Works from a Risk or Hazard, provided Hydro has proceeded in accordance with the requirements of Article 5.0, except in the event of an imminent Risk or Hazard, in which case Hydro will give notice as soon as possible; and
- (g) do all things necessary or incidental to the undertakings of Hydro in connection with the above, including investigative studies and related work to ensure compliance with applicable government or regulatory requirements in relation to the rights in this Agreement.

2.2 The rights granted under this Agreement are for so long as required and will terminate, without compensation to Hydro, when Hydro no longer requires the rights under this Agreement for its undertaking and Hydro gives 90 days written notice of termination to the Grantor.

### **3.0 GRANTOR'S COVENANTS**

3.1 The Grantor covenants with Hydro that:

- (a) it will not close an Access Area, or portion thereof, unless the Grantor has given Hydro notice of the Grantor's intention to close the Access Area, and
  - (i) Hydro has given notice that it has reasonably satisfactory alternate access to the Works; or
  - (ii) the Grantor has completed construction of another Access Area, at its sole cost and expense, that will provide alternate access to Hydro's Works that is reasonably satisfactory to BC Hydro;
- (b) if the Grantor attempts to enforce against Hydro any by-law, law, regulation, standard or requirement in relation to the Works, or in relation to their respective rights or obligations under this Agreement, that frustrates, or creates an unreasonable delay, condition, limit or impairment of Hydro's authorized use of the Right of Way Area, then the Grantor will indemnify and hold harmless Hydro or TELUS, as the case may be, from and against any resulting additional costs. This indemnity is personal to the original Grantor and not binding on any subsequent owner of the Lands or part thereof, so that the Grantor will be bound by this indemnity notwithstanding any transfer of the Lands or part thereof;
- (c) the Grantor will not use or authorize the use of the Lands, including the construction of any improvements, that would create a Risk or Hazard or would interfere with Hydro's exercise of rights under this Agreement; and
- (d) except as specifically provided for in this Agreement, the Grantor will not assess any fee, charge, toll, levy or expense on or in connection with the rights herein granted.

#### 4.0 HYDRO'S COVENANTS

##### 4.1 Hydro will:

- (a) if, contrary to the terms of this Agreement, Hydro or its contractors, damage any structures, buildings, fixtures, improvements, chattels, crops, merchantable timber, livestock, drains, ditches, culverts, fences, or Access Areas, and such damage or contamination is not caused as a result of the Grantor's breach of the terms of this Agreement or the negligence or wilful act of the Grantor or its contractors, agents or permittees or those for whom it is responsible in law, then Hydro will, within a reasonable period of time:
  - (i) repair in a good and workman-like manner any damaged structure, building or improvement, as closely as is practicable to its condition immediately prior to the damage but will otherwise have no liability or responsibility for any maintenance or repair of Access Areas;
  - (ii) remediate any other kind of damage or contamination; or
  - (iii) where it is not practical to repair or remediate, compensate the Grantor, or if appropriate, a person in the affected area who suffers any loss as a result of the damage or contamination, to the extent that such damage or contamination was caused by Hydro, provided that compensation paid to the Grantor for merchantable timber pursuant to this sub-section will be calculated in accordance with generally accepted principles of timber valuation and, on payment, ownership of any timber under this Agreement will vest in Hydro and, at the Grantor's request, the Grantor may retain ownership of any merchantable timber cut on the Lands instead of receiving compensation for the timber;
- (b) on written notice and unless prohibited by provincial legislation or its tariff, indemnify the Grantor from and against all claims, demands, actions, suits or other legal proceedings brought against the Grantor by any third party by reason of or arising out of:
  - (i) any breach, violation or non-performance by Hydro of its covenants, conditions or obligations under this Agreement; or
  - (ii) any negligent act or omission on the part of Hydro in relation to its use of the Access Areas,

but only to the extent such matter is found to be the responsibility of Hydro and was not contributed to by the negligence of, or the breach, violation, or non-performance of this Agreement by, the Grantor or those for whom the Grantor is responsible at law, and not for any matters based on nuisance or the rule in *Rylands v. Fletcher*, unless Hydro was negligent.

- (c) undertake activities permitted under this Agreement having regard for the impact on the Environment, and take prudent measures to minimize any danger or disruption to the Environment;
- (d) if Hydro unearths or discovers any Artifact or Feature on the Lands, and there is no previously agreed upon mitigation or management plan with Kitselas:
  - (i) promptly notify Kitselas;
  - (ii) immediately cease any further activity that could affect the Artifact or Feature;
  - (iii) take reasonable measures to protect the Artifact or Feature; and
  - (iv) comply with the direction of a lawful authority in relation to the handling of the Artifact or Feature, which may include compliance with a Kitselas' cultural heritage policy;
- (e) keep the portions of the Lands used by Hydro under this Agreement in a safe, clean and sanitary condition to the extent the condition relates to the use or occupation by Hydro of such Lands, provided that Hydro has no obligation to keep any portion of the Lands suitable for use by anyone except Hydro;
- (f) not remove any merchantable timber from the Lands, except in compliance with any applicable laws and with the prior approval of the Grantor; and
- (g) pay and discharge when due all applicable taxes, levies, charges and assessments now or hereafter assessed, levied or charged to the account of Hydro which relate to Hydro's use of the Lands and which Hydro is liable to pay;
- (h) notify the Grantor in writing if it no longer requires all or a portion of an Access Area that it has improved pursuant to subsection 2.1(e), and:
  - (i) will meet with the Grantor to discuss decommissioning the road;
  - (ii) the Grantor will have six months after the meeting to notify Hydro in writing that Hydro must decommission the Access Area, in which case Hydro will decommission the Access Area and restore it to a condition as close as reasonably possible to the condition that existing prior to such improvement; and
  - (iii) if Hydro is not required to remove the Access Area, they will have no further liability for its condition, use, maintenance or repair; and
- (i) provide written notice to the Grantor, except in the event of an imminent Risk or Hazard, in which case Hydro will give notice as soon as possible, prior to:
  - (i) constructing drainage works;
  - (ii) undertaking works to maintain slope stability; or

- (iii) undertaking work within a Fish Bearing Stream,  
within the Lands, and, subject to its regulatory obligations, will give reasonable consideration to any concerns raised by the Grantor with respect to the proposed work.

## **5.0 WORK PLANS**

- 5.1 Except in the case of an emergency or imminent Risk or Hazard, Hydro will provide to the Grantor a written work plan before:
  - (a) constructing any Access Areas pursuant to subsection 2.1(e); or
  - (b) undertaking works or other measures to avoid a Risk or Hazard pursuant to subsection 2.1(f).
- 5.2 The Grantor will provide comments in writing to Hydro no more than 60 days after the delivery of a work plan to the Grantor pursuant to Section 5.1. Hydro will make reasonable efforts to accommodate any suggestions or requests made by the Grantor, taking into account the potential loss of productive capacity and the guiding principle that no more land will be used than is reasonably required for the proposed activity, with the goal of reaching agreement on a work plan within 90 days of delivery of a work plan to the Grantor. If no comments are received, Hydro may proceed with the work.
- 5.3 The Grantor will act reasonably in providing comments on a work plan, including taking into consideration the effects and benefits of the proposed work, the cost of the proposed work compared to the cost of alternate solutions, and any risks that may be associated with not undertaking the work, and Hydro will act reasonably in responding to such comments.
- 5.4 If the parties are not able to reach agreement on a work plan within 90 days of delivery of a work plan to the Grantor, either party may refer the matter to dispute resolution under Article 7.
- 5.5 In the event of an emergency or imminent Risk or Hazard, Hydro may immediately undertake work and take such steps on the Lands as are reasonably required in order to protect the Works or persons or property that may be at risk, and in that event Hydro will as soon as reasonably possible notify the Grantor.
- 5.6 Hydro will, upon request, pay compensation to the Grantor for any loss or damage to the affected property resulting from any error, negligence or omission in the implementation of the work plan. If Hydro disputes that it has an obligation to pay compensation or disputes the amount claimed, the dispute may be referred to dispute resolution under Article 7 by any of the parties.

## **6.0 MUTUAL COVENANTS**

- 6.1 The parties mutually promise and agree as follows:

- (a) this Agreement will run with the Lands and will bind all present and subsequent owners of the Lands;

- (c) no compensation will be payable for any matter for which Hydro has fulfilled its obligations to repair under subsection 4.1(a); and
- (d) failure to enforce any covenant or restriction contained in this Agreement for a breach or violation of any covenant or right contained in this Agreement will not constitute a waiver, in whole or in part, of any of the injured party's rights or remedies.

## 7.0 DISPUTE RESOLUTION

7.1 Any dispute arising out of or in connection with this Agreement will be resolved as follows:

- (a) the parties will attempt to resolve disputes by negotiations, including timely disclosure of all relevant facts, information and documents;
- (b) either party may, at any time, by written notice request that the dispute be referred to mediation, conducted by a mediator, knowledgeable about the matters in dispute and agreed upon by the parties;
- (c) if the dispute is not resolved within 60 days of the notice to mediate under subsection (b), or any further period of time agreed to by the parties, then any party may refer the dispute to a single arbitrator, knowledgeable about the matters in dispute and agreed upon by the parties, for final resolution in accordance with the *Arbitration Act* of British Columbia; and

  - (ii) PNG may maintain and use all fences and gates installed by or on behalf of PNG which are, as at the Effective Date, situated on the Area of the Works, including fences and gates affecting access to Area C;

- 2.4 If PNG, in its discretion, determines that it will permanently de-commission the Works situated within the Area of the Works, it will, promptly after making such determination, so notify the Grantor. The rights, liberties and rights of way granted under this Agreement will terminate on the date that is 120 days after the date on which PNG completes de-commissioning the Works.

### 3.0 RIGHT OF WAY AREA

- 3.1. The parties acknowledge that they have made reasonable efforts to identify all the existing Works and related Right of Way Area as of the Effective Date. However, in the unlikely event that either of the parties subsequently discovers any existing Works outside the Right of Way Area that were missed in such initial identification process (the "**Discovered Works**"), it will promptly notify the other party, and the parties (each acting in good faith) will negotiate and settle upon terms for the extension of the Right of Way Area over those portions of the Lands occupied by the Discovered Works. Such terms will include in

relation to the Discovered Works, a grant from the Grantor to PNG, for so long as required, of a right of way over those portions of the Lands upon which such Discovered Works are located, and the following will apply:

- (a) for and in respect of such Discovered Works, PNG will hold the same rights, privileges and obligations as apply to PNG for the use of the Right of Way Area, the Area of the Works and Area C under this Agreement, including the right of reasonable access over the Lands for the purpose of gaining access to such Discovered Works; and
- (b) the Grantor may at any time require PNG to attach a revised survey plan to this Agreement to include those additional relevant portions of the Grantor's Lands.

#### **4.0 NON-EXCLUSIVE USE**

- 4.1 This Agreement will not entitle PNG to exclusive possession of the Area of the Works or Area C, and the Grantor reserves the right to grant other dispositions of any Lands affected by this Agreement, so long as the grant does not materially affect or interfere with the exercise of PNG's rights under this Agreement.

Upon the delivery of such survey plan to the Grantor, that portion of the Lands so surveyed will be deemed to be the Right of Way Area for purposes of interpreting this Agreement and as modified under this Agreement from time to time. The Grantor authorizes PNG and the registrar of the relevant land title office to do all things necessary in relation to the filing of the survey plan for the Right of Way Area including inserting the number assigned by the relevant land title office to such plan;
  - (b) PNG shall pay and discharge when due all applicable taxes, levies, charges and assessments now or hereafter assessed, levied or charged to the account of PNG

which relate to the Works and which PNG is liable to pay pursuant to Applicable Laws;

- (c) PNG shall keep the portions of the Lands used by PNG under this Agreement in a safe, clean and tidy condition to the extent the condition relates to the use or occupation of the Lands by PNG, and on written notice from the Grantor, to make safe, clean, and tidy any portion of them that contravene the provisions of this covenant, provided that PNG has no obligation to keep any portion of the Lands suitable for use by anyone except PNG;
- (d) PNG shall bury and maintain all underground Works as may be required so as not to unduly interfere with the drainage of the Lands;
- (e) PNG shall take all reasonable steps and precautions to minimize disturbance of any archaeological material discovered by PNG on the Lands, and to immediately notify the Grantor;
- (f) PNG shall not bury debris or rubbish of any kind on the Lands in excavations or backfill, and to remove shoring and similar temporary structures as backfilling proceeds;
- (g) PNG shall not commit or suffer any wilful or voluntary waste, spoil or destruction on the Lands, or do or suffer to be done thereon anything that may be or become a nuisance or annoyance to the Grantor, except to the extent required by PNG acting reasonably, to exercise its rights under this Agreement or to carry out any work described in a written work plan approved under Section 7.1;
- (h) PNG does not intend to carry, convey or transport through the pipeline(s) that comprises part of the Works situate on the Area of the Works any crude oil (including light crude, synthetic crude, heavy oil or diluted bitumen);
- (i) PNG will make available to the Grantor all merchantable timber cut on the Lands by PNG in the exercise of any of its rights hereunder; and
- (j) PNG shall permit the Grantor to enter upon the Right of Way Area at any time to examine its condition.

6.2 Except in the case of an Emergency, PNG shall, by no later than twenty-four (24) hours prior to its entry onto the Lands for the purpose of exercising any of its rights under this Agreement, provide to the Grantor a notice (an “**Entry Notice**”) stating PNG’s intent to so enter onto the Lands, and setting out the nature and extent of the work PNG proposes to conduct and the anticipated duration of such work.

Subject always to the foregoing sentence, PNG shall deliver each Entry Notice to the Grantor such number of days in advance of the proposed date of entry onto the Lands as is reasonable in all the circumstances, having regard to the nature, extent and anticipated duration of the proposed work and the requirements of all Applicable Laws.

- 6.3 In the event of an Emergency, PNG shall provide to the Grantor, as soon as reasonably practical after entering onto the Lands in order to exercise any of its rights under this Agreement, a written report describing the nature and extent of any work done by PNG and the purpose of such entry onto the Lands.

## **7.0 WORK PLANS**

- 7.1 Except in the case of an Emergency, PNG will provide to the Grantor a written work plan describing the proposed work located on, outside or related to the Lands prior to undertaking any of the following work under this Agreement:

- (a) construction of any new Works;
- (b) relocation or improvement of any Works;
- (c) construction or relocation of any Access Improvements; and
- (d) initial installation of any permanent fences or gates on or within the Lands or any excluded Right of Way Areas.

In accordance with this Section 7.1, prior to undertaking any work, PNG will deliver a copy of the work plan to the Grantor, for review and comment by the Grantor.

The Grantor will, no more than thirty (30) days after receiving the work plan, provide to PNG in writing any comments that it may have, and PNG will use reasonable efforts to accommodate any suggestions or requests made by the Grantor to PNG provided they do not result in delays, increased costs or technical difficulties.

## **8.0 RELOCATION OF WORKS DUE TO CHANGE**

- 8.1 If a material change occurs to the Lands (other than a material change caused by PNG), such as erosion, which for any reason makes the continued use of any portion of the Right of Way Area or the Excluded Right of Way Area unsuitable for any of the Works, then the Grantor will consent, without charge (subject to subsection 8.1(d)), to the relocation and replacement of such Works to a new location on the Grantor's Lands, as follows:
- (a) PNG will before undertaking any work, deliver a written work plan to the Grantor indicating the contemplated relocation of the Works for approval by the Grantor, which approval will not be unreasonably withheld, delayed or conditioned;
  - (b) PNG will, acting in good faith, take into account the potential impacts on the Grantor and the Grantor's Lands of the contemplated relocation, including any likely materially adverse effect of the relocated Works on adjacent lands, and the Grantor will, acting in good faith, take into account any cost efficiencies or other benefits that might accrue to PNG owing to the location selected by PNG for the relocated Works in relation to alternative locations;

- (c) the relocated Works will be covered by the terms and conditions of this Agreement; and
- (d) provided the Grantor is not responsible for PNG having to relocate the Works, PNG will pay the Grantor any difference between:
  - (i) the then current fair market value of the new Right of Way Area; and
  - (ii) the then current fair market value of any area to be removed from the Right of Way Area, or the Excluded Right of Way Area.

## **9.0 RELOCATION OF WORKS AT THE REQUEST OF THE GRANTOR**

9.1 If the Grantor requires a portion of the Right of Way Area for other purposes, then upon written request by the Grantor, PNG will relocate any Works in the Right of Way Area to a new location on the Grantor's Lands, provided that:

- (a) the new location is, in the reasonable opinion of PNG, suitable for use for the relocated Works considering engineering feasibility, construction, maintenance and operation, and cost factors;
- (b) the Grantor gives PNG reasonable notice to permit proper design, planning and construction of the Works to be relocated;
- (c) the Grantor agrees to pay all reasonable costs and expenses, including costs of design, supervision and construction (before any relocation, the Grantor will pay the costs and expenses as estimated by PNG, with appropriate adjustments based on actuals after the relocation is complete); and
- (d) the rights, liberties and rights of way under this Agreement will extend to the relocated Works and associated areas, so that it has similar priority (within the meaning of the *Land Title Act* [RSBC 1996] c. 250) over other charges and encumbrances, and PNG will thereafter surrender its interest in the portion of the Lands no longer required.

## **10.0 REMOVAL OF WORKS**

10.1 If either party has given a notice pursuant to Section 2.2, or PNG has given a notice pursuant to Section 2.3 or otherwise no longer requires all or a portion of the Right of Way Area, then PNG shall, in respect of such Right of Way Area:

- (a) quit peaceably such Right of Way Area;
- (b) remove any Access Improvements no longer required in relation to such Right of Way Area;

- (c) remove all above ground Works from such Right of Way Area within a reasonable period of time and any Works remaining on that portion of the Right of Way Area will be absolutely forfeited to and become the property of the Grantor. If the Grantor removes any remaining above ground Works within four (4) years after PNG's notice, PNG will, on demand by the Grantor, reimburse the Grantor for all reasonable costs of removal; and
- (d) remain liable for any environmental damage to the Lands arising from any below ground Works that remain on or in such Right of Way Area, except if the Grantor uses or authorizes the use of any of the remaining below ground Works for any purpose then PNG will not be liable for any environmental damage caused by the Grantor's use, or authorized use; and to the extent necessary, this covenant will survive the termination of this Agreement.

## 11.0 COVENANTS OF THE GRANTOR

### 11.1 The Grantor covenants with PNG that:

- (a) PNG shall and may peaceably enjoy and hold its rights under this Agreement without interruption, disturbance, molestation or hindrance whatsoever from the Grantor or any other person lawfully claiming from or under the Grantor, and by the exercise of any authority under the Treaty, provided however that nothing in this subsection 11.1(a) shall limit the Grantor's right of inspection pursuant to subsection 6.1(j);
- (b) without limiting the generality of subsection 11.1(a), the Grantor agrees that PNG, in carrying out its rights and obligations under this Agreement, is only subject to industry standards and Applicable Laws;
- (c) if the Grantor passes and attempts to enforce against PNG any law, regulation, standard or requirement in relation to the Works or its rights under this Agreement that is in excess of Applicable Laws (excluding those promulgated by the Grantor) or prevailing industry standards that generally apply in British Columbia in circumstances reasonably comparable to those sought to be addressed by such law, regulation, standard or requirement of the Grantor, and which results in a material increase to any or all of PNG's costs, as compared to those costs which PNG would otherwise incur in respect of all activities or things necessary or incidental to the business of PNG and operation of the Works pursuant to this Agreement, then the Grantor shall indemnify and hold harmless PNG for any additional costs required or incurred to comply with such law, regulation, standard, or requirement;
- (d) the Grantor will not permit or make, place, erect, operate, use or maintain any building, structure, foundation, pavement, excavation, well, fill, pile of material, obstruction, equipment, thing or inflammable substance, or plant any vegetation upon the Area of the Works, if any such action or thing, in the reasonable opinion of PNG:

- (i) may interfere with or endanger the Works or any part thereof or the installation, operation, maintenance, removal or replacement of the Works or any part thereof;
  - (ii) may obstruct access to the Works or any part thereof by those authorized by PNG; or
  - (iii) may by its operation, use, maintenance or existence on the Area of the Works, create or increase any hazard to persons or property in relation to the Works;
- (e) the Grantor will not diminish or increase the ground elevation in the Right of Way Area by any method, including piling any material or creating any excavation, drain, or ditch in the Right of Way Area, unless permission in writing from PNG has first been received, which permission will not be unreasonably withheld, conditioned or delayed;
- (f) the Grantor will not carry out blasting or aerial logging operations on or adjacent to the Area of the Works without first having obtained:
- (i) all licences, approvals and permits required under Applicable Laws; and
  - (ii) written permission from PNG, which permission will not be unreasonably withheld (it being acknowledged that it shall be reasonable for PNG to withhold permission if PNG is of the opinion (reasonably formed) that the Grantor's proposed blasting or aerial logging operations would cause a serious threat or danger to the public, to PNG or to the Works or other facilities or operations of PNG);
- (g) the Grantor will not use or authorize the use of the portions of the Right of Way Area for the regular, or organized parking of vehicles without the prior written permission from PNG, in its sole determination, provided that nothing in this subsection is intended to prevent safe temporary parking of vehicles;
- (h) the Grantor will not use, or authorize the use of the Right of Way Area for fuelling any vehicle or equipment;
- (i) the Grantor will not intentionally do or authorize any act or thing that injures or endangers the Works; and
- (j) the Grantor will not use or authorize the use of the Right of Way Area for any purpose, including the construction of any improvements, that in the sole opinion of PNG would be unsafe or would interfere with PNG's use of the Right of Way Area.

## 12.0 COMPENSATION FOR DAMAGES

- 12.1 Subject to the rights granted in this Agreement, PNG covenants with the Grantor that if PNG or its contractors, damage any structures, buildings, fixtures, improvements, or

chattels outside of the Area of the Works, or damage any crops, merchantable timber, livestock, drains, ditches, culverts, fences, trails, bridges, or roads on the Lands, and such damage or contamination is not caused as a result of the Grantor's breach of the terms of this Agreement or the negligence or wilful act of the Grantor or its contractors, agents or permittees, that PNG will:

- (a) compensate the Grantor for such damages, to the extent caused by PNG; or
- (b) within a reasonable period of time, repair in a good and workman-like manner any damaged structure, building or improvement, as closely as is practicable to its condition immediately prior to the damage.

### 13.0 INDEMNITY

13.1 PNG will save harmless and indemnify the Grantor from and against all claims, demands, actions, suits or other legal proceedings by whomsoever made or brought against the Grantor by reason of or arising out of:

- (a) any breach, violation or non-performance by PNG of any of PNG's covenants, conditions or obligations under this Agreement; and
- (b) any act or omission on the part of PNG in respect of or in relation to its Works including the construction, maintenance, operation or decommissioning of its Works, but only to the extent any such matter is found to be the responsibility of PNG and was not contributed to by the negligence of, or breach, violation or non-performance by the Grantor or by those for whom the Grantor is responsible at law, and not for any matters based on nuisance or the rule in *Rylands v. Fletcher* unless PNG was negligent.

### 14.0 DISPUTE RESOLUTION

14.1 Any dispute arising out of or in connection with this Agreement will be resolved as follows:

- (a) the parties will attempt to resolve disputes by negotiations, including timely disclosure of all relevant facts, information and documents;

- (c) if the dispute is not resolved within thirty (30) days of the notice to mediate under subsection 14.1(b), or any further period of time agreed to by the parties, then, on the agreement of the parties, the dispute may be referred to a single arbitrator for final resolution, in accordance with the *Arbitration Act* [SBC 2020] c. 2. If the parties do not agree to arbitration, then any party may refer the matter to a court of competent jurisdiction; except that it is not incompatible with this subsection for a party to apply

to a court of competent jurisdiction at any time for interim or conservatory relief and for the court to grant that relief.

  - (f) not remove any merchantable timber from the Lands, except in compliance with any applicable laws and with the prior approval of the Grantor;
  - (g) not bury debris or rubbish of any kind on the Lands in excavations or backfill, and will remove shoring and similar temporary structures as backfilling proceeds;
  - (h) not commit any voluntary or permissive waste, spoil or destruction on the Right of Way Area, or do or suffer to be done thereon anything that may be or become a nuisance to the Grantor, except to the extent required by Hydro or TELUS, acting reasonably, to exercise the rights granted under this Agreement; and
  - (i) provide written notice to the Grantor, except in the event of an imminent Risk or Hazard, in which case Hydro or TELUS, as the case may be, will give notice as soon as possible, prior to:
    - (i) constructing drainage works;
    - (ii) undertaking works to maintain slope stability; or
    - (iii) undertaking work within a Fish Bearing Stream,

within the Lands, and, subject to its regulatory obligations, will give reasonable consideration to any concerns raised by the Grantor with respect to the proposed work.

## **6.0 WORK PLANS**

- 6.1 Except in the case of an emergency or imminent Risk or Hazard, Hydro or TELUS, as the case may be, will provide to the Grantor a written work plan before:

- (a) constructing a new Road pursuant to paragraph 2.1(b)(iii); or
  - (b) undertaking any works pursuant to paragraph 2.1(b)(vi).
- 6.2 The Grantor will provide comments in writing to Hydro or TELUS, as appropriate, no more than 60 days after delivery of a work plan to the Grantor pursuant to section 6.1. Hydro or TELUS will make reasonable efforts to accommodate any suggestions or requests made by the Grantor with the goal of reaching agreement on a work plan within 90 days of delivery of a work plan to the Grantor. If no comments are received, Hydro or TELUS, as appropriate, may proceed with the work.
- 6.3 The Grantor will act reasonably in providing comments on a work plan, including taking into consideration the effects and benefits of the proposed work, the cost of the proposed work compared to the cost of alternate solutions, and any risks that may be associated with not undertaking the work.
- 6.4 If the parties are not able to reach agreement on a work plan within 90 days of delivery of a work plan to the Grantor, either party may refer the matter to dispute resolution under Article 16.
- 6.5 In the event of an emergency or imminent Risk or Hazard, Hydro and TELUS may immediately undertake work and take such steps on the Lands as are reasonably required in order to protect the Works or persons or property that may be at risk, and in that event Hydro or TELUS will as soon as reasonably possible notify the Grantor.
- 6.6 Hydro or TELUS will, upon request, pay compensation to the Grantor for any loss or damage to the affected property resulting from any error, negligence or omission in the implementation of a work plan, on the same basis as Hydro or TELUS would compensate other parties suffering comparable loss or damage. If Hydro or TELUS disputes that it has an obligation to pay compensation, or disputes the amount claimed, the dispute may be referred to dispute resolution under Article 16 by any of the parties.

## **7.0 RELOCATION OF HYDRO WORKS AT THE REQUEST OF THE GRANTOR**

- 7.1 If the Grantor requires a portion of the Right of Way Area for other purposes, then upon written request by the Grantor, Hydro will relocate any Works in the Right of Way Area to a new location on the Lands, provided:
- (a) the new location is, in the reasonable opinion of Hydro, suitable for use for the relocated Works considering construction, maintenance and operation, safety, and cost factors;
  - (b) the Grantor gives Hydro reasonable notice to permit proper design, planning and construction of the Works to be relocated;
  - (c) before any relocation, the Grantor has paid the reasonable costs and expenses of the relocation, including costs of design, supervision and construction as estimated by Hydro, with appropriate adjustments based on actuals, after the relocation is complete;

and

- (d) the relocated Hydro Works will be subject to the terms and conditions of this Agreement.

## **8.0 RELOCATION OF TELUS WORKS AT THE REQUEST OF THE GRANTOR**

8.1 If the Grantor requires a portion of the Right of Way Area for other purposes, then upon written request by the Grantor, TELUS will relocate any Works in the Right of Way Area to a new location on the Lands, provided:

- (a) the new location is, in the reasonable opinion of TELUS, suitable for use for the relocated Works considering construction, maintenance and operation, and cost factors;
- (b) the Grantor gives TELUS reasonable notice to permit proper design, planning and construction of the Works to be relocated;
- (c) before any relocation, the Grantor has paid the reasonable costs and expenses of the relocation as estimated by TELUS, including costs of design, supervision and construction with appropriate adjustments to be made, based on actuals, after the relocation is complete; and
- (d) the relocated TELUS Works will be subject to the terms and conditions of this Agreement.

## **9.0 RESTORATION**

9.1 When all or any portion of the Right of Way Area is no longer required for the Works, Hydro or TELUS, as the case may be, will restore the ground surface of the affected portion of the Right of Way Area, as near as reasonably practicable to its condition prior to the installation of the Works, including:

- (a) the removal of any above ground Works, underground transformers and, at the request of the Grantor, any cables located within underground ducts in such portion of the Right of Way Area; and
- (b) revegetation with suitable grass seed where reasonably appropriate.

1.3 This Article will survive the expiration or any termination of this Agreement.

## **10.0 REMOVAL OF WORKS**

10.1 If Hydro or TELUS determine that certain of their respective Works are no longer required under this Agreement, either may, with the consent of the Grantor, abandon such Works and, on a date specified in the consent, all of their right, title, benefit and interest in such Works

will be deemed to have been transferred to the Grantor. If the consent of the Grantor is not obtained within six months after the date of the expiration of this Agreement, Hydro or TELUS, as the case may be, will remove the above ground Works, underground transformers and, at the request of the Grantor, any cables located within underground ducts, as soon as reasonably possible in the circumstances.

- 10.2 The Grantor may request that Hydro or TELUS, as the case may be, remove Works no longer required under this Agreement, in accordance with section 10.1. If Hydro or TELUS dispute the removal of the Works, then any party may submit the dispute to the dispute resolution process in article 16 of this Agreement.
- 10.3 Hydro and TELUS will notify the Grantor in writing if they no longer require any new Road constructed pursuant to paragraph 2.1(b)(iii) and will meet with the Grantor to discuss decommissioning of the Road. The Grantor will have six months after the meeting to notify Hydro and TELUS in writing that Hydro and TELUS must decommission the Road, in which case Hydro and TELUS will decommission the Road. If Hydro and TELUS are not required to remove a Road they will have no further liability for its condition, use, maintenance or repair.
- 10.4 Hydro will remain liable for any environmental damage to the Lands arising from any of its below ground Works that remain on or in the Right of Way Area after the expiration of this Agreement, unless the Grantor uses or authorizes the use of the remaining below ground Works for any purpose, then Hydro will not be liable for any environmental damage caused by such use or authorized use.
- 10.5 TELUS will remain liable for any environmental damage to the Lands arising from any of its below ground Works that remain on or in the Right of Way Area after the expiration of this Agreement, unless the Grantor uses or authorizes the use of the remaining below ground Works for any purpose, then TELUS will not be liable for any environmental damage caused by the Grantor's use or authorized use.
- 10.6 This Article will survive the expiration or any termination of this Agreement.

## **11.0 COVENANTS OF THE GRANTOR**

- 11.1 The Grantor covenants that Hydro and TELUS will and may peaceably enjoy and hold their respective rights under this Agreement without interruption, disturbance, molestation or hindrance whatsoever from the Grantor or any person for whom the Grantor is responsible at law, provided that nothing in this section 11.1 will limit the Grantor's right of inspection pursuant to section 15.1.
- 11.2 If the Grantor attempts to enforce against Hydro or TELUS any by-law, law, regulation, standard or requirement in relation to the Works, or in relation to their respective rights or obligations under this Agreement, that frustrates, or creates an unreasonable delay, condition, limit or impairment of Hydro or TELUS's authorized use of the Right of Way Area, then the Grantor will indemnify and hold harmless Hydro or TELUS, as the case may be, from and against any resulting additional costs. This indemnity is personal to the original Grantor and

not binding on any subsequent owner of the Lands or part thereof, so that the Grantor will be bound by this indemnity notwithstanding any transfer of the Lands or part thereof.

- 11.3 If the Grantor requires TELUS to pay any taxes, levies, charges or assessments with respect to the Right of Way Area, their respective Works, or other property of either of them, that are unreasonably in excess of what TELUS would have been required to pay if the said taxes, levies, charges or assessments had been reasonably comparable to those generally applicable in other jurisdictions in British Columbia, then the Grantor will indemnify and save harmless TELUS from and against such additional cost. This indemnity is personal to the original Grantor and not binding on any subsequent owner of the Lands or part thereof, so that the Grantor will be bound by this indemnity notwithstanding any transfer of the Lands or part thereof. Any dispute as to whether the costs exceed those generally applicable in other comparable jurisdictions, or the extent of those excess costs, may be referred to the dispute resolution process in Article 16.
- 11.4 Without limitation to Hydro's or TELUS's statutory and regulatory authorities, the Grantor will not, directly or indirectly, without the prior written permission, not to be unreasonably withheld, of Hydro or TELUS, as the case may be:
- (a) make, place, erect, operate, use or maintain any building, structure, foundation, pavement, excavation, well, fill, pile of material, obstruction, equipment, thing or inflammable substance, or plant any growth upon the Right of Way Area, if any such action or thing, in the reasonable opinion of Hydro or TELUS:
    - (i) may interfere with or endanger the Works or any part thereof or the installation, operation, maintenance, removal or replacement of the Works or any part thereof;
    - (ii) may obstruct access to the Works or any part thereof by those authorized by Hydro or TELUS; or
    - (iii) may by its operation, use, maintenance or existence on the Right of Way Area create or increase any Risk or Hazard;
  - (b) authorize or carry out blasting or aerial logging operations on or near any portion of the Right of Way Area; or
  - (c) diminish or increase, or authorize anyone to diminish or increase, the ground elevation in the Right of Way Area by any method, including piling any material or creating any excavation, drain, or ditch in the Right of Way Area.

## 12.0 COMPENSATION FOR DAMAGE

- 12.1 If, contrary to the terms of this Agreement, Hydro or TELUS damage any structures, buildings, fixtures, improvements, or chattels, or damage any crops, merchantable timber, livestock, drains, ditches, culverts, fences, or Roads on the Lands, or contaminate the Lands

in the exercise of its vegetation management rights pursuant to section 2.1, and such damage is not caused by the Grantor's breach of this Agreement or the negligence or wilful act of the Grantor or its contractors, agents or permittees, or those for whom it is responsible in law, then Hydro or TELUS, as the case may be, will, within a reasonable period of time:

- (a) repair in a good and workman-like manner any damaged structure, building or improvement, as closely as is practicable to its condition immediately prior to the damage, but will otherwise have no liability or responsibility for any maintenance or repair of Roads;
- (b) remediate any other kind of damage or contamination; or,
- (c) where it is not practical to repair or remediate, compensate the Grantor, or if appropriate, a person in the affected area who suffers any loss as a result of the damage or contamination, to the extent that such damage or contamination was caused by Hydro or TELUS.

12.2 Compensation paid to the Grantor for merchantable timber pursuant to section 12.1 will be calculated in accordance with generally accepted principles of timber valuation and on payment, ownership of any timber cut on the Lands under this Agreement will vest in Hydro or TELUS, as the case may be. At the Grantor's request, the Grantor may retain ownership of any merchantable timber cut on the Lands instead of receiving compensation for the timber.

### **13.0 Obligation RESPECTING THIRD PARTY CLAIMS**

13.1 On written notice and unless prohibited by provincial legislation or its tariff, Hydro will at all times save harmless and indemnify and keep indemnified the Grantor from and against all claims, demands, actions, suits or other legal proceedings brought against the Grantor by any third party by reason of or arising out of:

- (a) any breach, violation or non-performance by Hydro of any of Hydro's covenants, conditions or obligations under this Agreement; or
- (b) any negligent act or omission on the part of Hydro in relation to its Works, including:
  - (i) the construction, maintenance, operation or decommissioning of its Works; and
  - (ii) the exercise of its vegetation management rights pursuant to section 2.1,

but only to the extent that any such matter was found to be the responsibility of Hydro and was not contributed to by the negligence, breach, violation or non-performance of the Grantor, and not for any matters based on nuisance or the rule in *Rylands v. Fletcher*, unless Hydro was negligent.

13.2 On written notice and unless prohibited by legislation, TELUS will at all times save harmless

and indemnify and keep indemnified the Grantor from and against all claims, demands, actions, suits or other legal proceedings by whomsoever made or brought against the Grantor by reason of or arising out of:

- (a) any breach, violation or non-performance by TELUS of any of TELUS's covenants, conditions or obligations under this Agreement; or
- (b) any negligent act or omission on the part of TELUS in respect of or in relation to its Works, including:
  - (i) the construction, maintenance, operation or decommissioning of its Works; and
  - (ii) the exercise of its vegetation management rights pursuant to section 2.1,

but only to the extent that any such matter was found to be the responsibility of TELUS and was not contributed to by the negligence, breach, violation or non-performance of the Grantor.

#### **14.0 FENCING**

- 14.1 With the exception of transformer stations and equipment shelters, Hydro and TELUS will not fence the Right of Way Area without the prior consent of the Grantor.

#### **15.0 INSPECTION**

- 15.1 The Grantor may, at its expense, at all reasonable times, visually inspect the Right of Way Area and the Works or carry out tests, surveys and inspections that do not interfere with the Works. If the Grantor requires access to any part of the Right of Way Area that has been fenced off or enclosed, the Grantor will notify Hydro and TELUS, who will provide such safe access as may be reasonably required by the Grantor.

#### **16.0 DISPUTE RESOLUTION**

- 16.1 Any dispute arising out of or in connection with this Agreement will be resolved as follows:
- (a) the parties will attempt to resolve disputes by negotiations, including timely disclosure of all relevant facts, information and documents;
  - (b) either party may, at any time, by written notice request that the dispute be referred to mediation, conducted by a mediator, knowledgeable about the matters in dispute and agreed upon by the parties;
  - (c) if the dispute is not resolved within 60 days of the notice to mediate under subsection (b), or any further period of time agreed to by the parties, then any party may refer the dispute to a single arbitrator, knowledgeable about the matters in dispute and agreed

upon by the parties, for final resolution in accordance with the Arbitration Act of British Columbia;

- (d) if the parties do not commence arbitration within 60 days of the notice to mediate under subsection (b), then any party may refer the matter to a court of competent jurisdiction; and
- (e) for the purposes of this section 16.1, Hydro and TELUS will only be considered as one party where the dispute arises between the Grantor, on the one hand, and Hydro and TELUS jointly, on the other.

1.4 It is not incompatible with this Article for a party to apply to a court of competent jurisdiction at any time for interim or conservatory relief and for the court to grant that relief.

## **17.0 RUNS WITH THE LAND**

17.1 Subject to section 17.2, this Agreement runs with and binds the Lands to the extent necessary to give full force and effect to this Agreement.

17.2 The parties acknowledge that the covenants in sections 11.2, 11.3 and 20.8 relate to the powers of Kitselas as a government. If Kitselas transfers all or any portion of the Lands:

- (a) it will continue to be bound directly to Hydro and TELUS in respect of those covenants that involve its governmental powers, notwithstanding the transfer; and
- (b) the transferee will be released from any liability in respect of those covenants that can only be exercised by Kitselas as a government.

17.3 Either Hydro or TELUS, as the case may be, will be entitled to enforce the covenants described in section 17.2 directly against Kitselas without additional consideration and without an amendment to this Agreement.

## **18.0 ASSIGNMENT**

18.1 This Agreement may be transferred or assigned at any time by Hydro or TELUS, in whole or in part, without the consent of the Grantor.

18.2 During any time that TELUS carries on business as a telecommunications services provider in a partnership controlled by TELUS or one of its Affiliates, TELUS may allow that partnership and its members to exercise any of the rights granted to TELUS in this Agreement, provided that TELUS ensures that the partnership and its members comply with TELUS's obligations in this Agreement. For greater certainty, TELUS will remain fully liable for all of its obligations under this Agreement in such circumstances.

**19.0 NOTICE**

- 19.1 Whenever it is required or permitted that notice or demand be given by any party to the other, the same will be in writing and will be forwarded to the address for that party in the General Instrument – Part 1, or to the most recent address provided by that party pursuant to section 19.3.
- 19.2 If any question arises as to the date on which such notice was communicated to a party, it will be deemed to have been given on the earlier of:
- (a) if it was delivered personally, by courier, or by email, on the next business day; or
  - (b) if it was sent by mail, on the sixth day after the notice was mailed.

In the event of postal disruption or an anticipated postal disruption, notices may not be given by mail.

- 19.3 A party may change their address, and specify an email address by which they may be notified, by giving notice to the other parties in accordance with this provision.

**20.0 GENERAL**

- 20.1 A breach of any term, condition, covenant or other provision of this Agreement may only be waived in writing, and any waiver will not be construed as a waiver of any subsequent breach. Consent to or approval of any act, where consent or approval is required under this Agreement, will not be construed as consent to or approval of any subsequent act. Wherever consent or permission is required under this Agreement, such consent or permission will not be unreasonably delayed, conditioned or withheld.
- 20.2 No remedy set out in this Agreement is exclusive of any other remedy provided by law, but will be in addition to any other remedy existing at law, in equity, or by statute.
- 20.3 The terms and provisions of this Agreement will extend to, be binding upon and enure to the benefit of the parties and their respective successors and assigns.
- 20.4 From and after the date of this Agreement, Hydro and TELUS will not license or authorize a third party to attach its works to the Works on the Right of Way Area unless the third party has first obtained consent from the Grantor for such attachment and provided a copy of such consent to Hydro or TELUS, as the case may be.
- 20.5 For greater certainty, a licence granted by Hydro or TELUS, as the case may be, pursuant to section 20.4, will not grant the licensee the right to use or occupy the Right of Way Area, and the third party will be solely responsible for obtaining its own tenure to the Right of Way Area. Hydro or TELUS, as the case may be, will make reasonable efforts to work with the Grantor to address any third party whose works are attached to the Works without the Grantor's permission, but Hydro and TELUS will have no obligation to remove the works of any third party who has attached its works to the Works, either before or after the date of this Agreement:

- (a) without the required consent from the Grantor; or
  - (b) whose consent has expired or been revoked.
- 20.6 The Grantor may appoint a delegate to provide Hydro and TELUS with all commentary, authorizations and approvals required pursuant to this Agreement, including all commentary, authorizations or approvals required in relation to work plans.
- 20.7 This Agreement may not be amended except by written agreement signed by all parties to this Agreement.
- 20.8 Except where this Agreement expressly provides otherwise, nothing in this Agreement will be interpreted or construed to limit or restrict any rights or obligations that Hydro or TELUS may have under applicable laws, including laws relating to environment, archaeology and fish-bearing streams.
- 20.9 Nothing in this Agreement will be interpreted or construed to limit or restrict any rights that Hydro or TELUS, as Public Utilities, may have as set out under the Kitselas Treaty.
- 20.10 Subject to section 10.1, Hydro and TELUS retain ownership for all existing Works and Works that they construct, place or install on the Right of Way Area, including any underground Works. The Works shall not form part of the freehold regardless of the degree to which they are affixed or attached to the Right of Way Area, and regardless of any damage that may be caused by their removal.
- 20.11 Kitselas will make reasonable efforts to notify Hydro and TELUS if it intends to apply for a certificate of indefeasible title in the provincial Land Title Office in respect of any lands that are to be added to the Kitselas' treaty settlement lands after the Effective Date. The Grantor agrees to execute an amendment of this Agreement or a new agreement that incorporates these Filed Terms, at the request of either Hydro or TELUS, in order to extend the application of these Filed Terms to any additional lands acquired by Kitselas after the Effective Date that are or will become treaty settlement lands within the meaning of the Kitselas Treaty. Hydro or TELUS, as the case may be, will be responsible for the cost of preparing any documentation that may be necessary to amend the Agreement, or for the cost of a new agreement, and for the related costs of filing the document in the Land Title Office.
- 20.12 The parties agree that Hydro and TELUS will only pay compensation for interference with or damage to the Lands pursuant to this Agreement as provided under section 6.6 and Article 12.

## **APPENDIX I: EXPROPRIATION PROCEDURES**

**Part 1: Federal Expropriation Procedures**

**Part 2: Provincial Expropriation Procedures**

## Appendix I: Expropriation Procedures

### Part 1: Federal Expropriation Procedures

#### Application of Federal Expropriation Procedures

1. Where the interest in Kitselas Lands to be expropriated is held by Kitselas, the interest may be expropriated by a Federal Expropriating Authority in accordance with Federal Law, Chapter 3 Kitselas Lands and the procedures set out in this Appendix.
2. Where the fee simple interest in a parcel of Kitselas Lands is held by any person other than Kitselas, any interest in that parcel may be expropriated by a Federal Expropriating Authority in accordance with:
  - a. Federal Law;
  - b. Chapter 3 Kitselas Lands; and
  - c. the procedures set out in sections 3 to 11, and 24 to 31,

and, for greater certainty, the return of any interest expropriated will be to Kitselas in accordance with sections 26 to 31.

#### Consent of the Governor in Council

3. The Governor in Council may consent to an expropriation of an interest in Kitselas Lands only if the expropriation is justifiable under section 5 and necessary for a public purpose.
4. For greater certainty, where Federal Law deems an expropriation to be for a public purpose, the expropriation will be deemed to be necessary for a public purpose under this Agreement.
5. For the purposes of section 3, an expropriation is justifiable where the Governor in Council is satisfied that the following requirements have been met:
  - a. there is no reasonably feasible alternative interest to use or acquire that is not an interest in Kitselas Lands;
  - b. reasonable efforts have been made by the Federal Expropriating Authority to acquire the interest in Kitselas Lands through agreement with the interest holder and Kitselas;
  - c. the interest in Kitselas Lands to be expropriated is the most limited interest necessary and for the shortest time required; and
  - d. all information relevant to the expropriation, other than documents that are protected from disclosure under Federal Law, has been provided to Kitselas.
6. Before the Governor in Council issues an order consenting to the expropriation of an interest

in Kitselas Lands, the Federal Expropriating Authority will provide to Kitselas and the Governor-in-Council, and make available to the public, a report stating the justification for the expropriation and describing the steps taken to satisfy the requirements under section 5.

7. If Kitselas objects to a proposed expropriation of an interest in Kitselas Lands, it may, by providing notice in writing to the Federal Expropriating Authority within 60 days after the report has been provided to Kitselas under section 6, refer the matter directly to neutral evaluation under Stage Two of Chapter 29 Dispute Resolution for a review of the steps taken to satisfy the requirement set out in section 5.
8. The Federal Expropriating Authority will not seek Governor in Council consent to the expropriation of an interest in Kitselas Lands:
  - a. before the expiration of the time period referred to in section 7;
  - b. if Kitselas has referred the matter to neutral evaluation in accordance with section 7, before the neutral evaluator has delivered to Kitselas and the Federal Expropriating Authority an opinion on the matter; or
  - c. within such additional time as Kitselas and the Federal Expropriating Authority may agree.
9. Without limiting the generality of Chapter 29 Dispute Resolution, the opinion of the neutral evaluator under section 8b:
  - a. is without prejudice to the legal positions that may be taken by a Federal Expropriating Authority and Kitselas in court or in any other forum;
  - b. will not be admissible in any legal proceedings, unless otherwise required by law; and
  - c. is not binding on the Governor in Council under sections 3 and 5.

**Expropriation of a Fee Simple Interest**

10. If a Federal Expropriating Authority expropriates a fee simple interest in Kitselas Lands, that land will no longer be Kitselas Lands, and the Parties will amend the applicable Appendix in accordance with paragraph 9 of Chapter 31 Amendment.

**Expropriation of Less Than a Fee Simple Interest**

11. If a Federal Expropriating Authority expropriates less than a fee simple interest in a parcel of Kitselas Lands:
  - a. the parcel of land retains its status as Kitselas Lands;
  - b. the parcel of land remains subject to Kitselas Law, except to the extent that Kitselas Law is inconsistent with the purpose for which the expropriation took place; and
  - c. Kitselas, or the person holding the fee simple interest in the parcel of Kitselas Lands, may continue to use and occupy the parcel of land, except to the extent that the use or occupation is inconsistent with the use of the parcel for which the expropriation took place, in the view of the Federal Expropriating Authority.

**TOTAL VALUE OF COMPENSATION**

12. The total value of compensation for an interest in Kitselas Lands expropriated by a Federal Expropriating Authority under this Appendix will be determined by taking into account the following factors:
  - a. the market value of the expropriated interest;
  - b. the replacement value of any improvement to the Kitselas Lands in which the interest has been expropriated;
  - c. any expenses or losses resulting from the disturbance directly attributable to the expropriation;
  - d. any reduction in the value of any interest in Kitselas Lands that is not expropriated which directly relates to the expropriation;
  - e. any adverse effect on any cultural or other special value to Kitselas of Kitselas Lands in which an interest has been expropriated, provided that:
    - i. the cultural or other special value is only applied to an interest in Kitselas Lands recognized in law and held by Kitselas; and
    - ii. there is no increase in the total value of compensation on account of any Aboriginal rights, title or interest; and

- f. the value of any special economic advantage arising out of or incidental to the occupation or use of Kitselas Lands by Kitselas to the extent that the value is not otherwise compensated.
13. If the Federal Expropriating Authority and Kitselas cannot agree on the total value of compensation or on whether the combination of replacement land and other compensation is equal to the total value of compensation, either Canada, acting on behalf of the Federal Expropriating Authority, or Kitselas may refer the matter for resolution in accordance with Chapter 29 Dispute Resolution.
14. Any claim or encumbrance with respect to the interest expropriated by a Federal Expropriating Authority may only be discharged against the amount of compensation payable under section 12.
15. Interest on compensation is payable from the date the expropriation takes effect, at the interest rate payable under Federal Law.

### **Replacement Land as Compensation**

16. If a fee simple interest in a parcel of Kitselas Lands is expropriated by a Federal Expropriating Authority, the Federal Expropriating Authority will make reasonable efforts to:
  - a. identify replacement land within the Kitselas Harvest Area, being either federal Crown land or land available on a “willing-seller, willing-buyer” basis, of equivalent or greater size and comparable value; and,
  - b. with the agreement of Kitselas, acquire and transfer the replacement land to Kitselas as partial or full compensation for the parcel of Kitselas Lands expropriated.
17. If the Federal Expropriating Authority and Kitselas are unable to agree on the provision of replacement land as compensation, the Federal Expropriating Authority will provide Kitselas with other compensation in accordance with this Agreement.
18. If the acceptance by Kitselas and addition to Kitselas Lands of replacement land identified by the Federal Expropriating Authority under section 16 would result in the total size of Kitselas Lands being less than at the Effective Date, and Kitselas does not agree that the replacement land is of comparable value to the interest in Kitselas Lands being expropriated, Kitselas may refer the issue of whether the replacement land is of comparable value to the interest in Kitselas Land being expropriated to be finally determined by arbitration under Chapter 29 Dispute Resolution.
19. For greater certainty, a determination of value under section 18 does not obligate Kitselas to accept the replacement land identified by the Federal Expropriating Authority under section 16 as partial or full compensation for the parcel of Kitselas Lands that has been expropriated.

**Addition of Replacement Land to Kitselas Lands**

20. For greater certainty, Kitselas may make a request under paragraph 98 of Chapter 3 Kitselas Lands to have a parcel of replacement land that has been transferred to Kitselas under section 16 added to Kitselas Lands, if that parcel of land is within the Kitselas Harvest Area.
21. Paragraphs 97 to 104 Chapter 3 Kitselas Lands apply to a request to add a parcel of replacement land to Kitselas Lands referred to in section 20, except as otherwise provided in sections 22 and 23.
22. When considering a request to add a parcel of replacement land to Kitselas Lands referred to in section 20, Canada will take into account the matters set out in paragraphs 98(a) and 98(b) of Chapter 3 Kitselas Lands, but will not take into account the matters set out in paragraph 98(c) of Chapter 3 Kitselas Lands.
23. Notwithstanding section 22, Canada will agree to a request to add a parcel of replacement land to Kitselas Lands referred to in section 20 if the replacement land does not overlap with an area that is the subject of any claims of, or treaty negotiations with, another First Nation.

**Terms and Conditions for Return of an Expropriated Interest in Kitselas Lands**

24. The terms and conditions of the return of an interest in Kitselas Lands expropriated by a Federal Expropriating Authority, including:
  - a. requirements relating to financial considerations based on market value principles;
  - b. the condition of the land to be returned; and
  - c. a process for resolving any disputes that may arise at the time of the return relating to the implementation of these terms and conditions,

will be negotiated by Kitselas and the Federal Expropriating Authority at the time of the expropriation.

25. If the terms and conditions of the return of an expropriated interest in Kitselas Lands cannot be agreed to by Kitselas and the Federal Expropriating Authority, either Canada, acting on behalf of the Federal Expropriating Authority, or Kitselas may refer the matter to be finally determined by arbitration in accordance with Chapter 29 Dispute Resolution.

**Return of an Interest in Kitselas Lands**

26. Where an expropriated interest in a parcel of Kitselas Lands is no longer required for the purpose for which it was expropriated, the Federal Expropriating Authority, or its successor or assign, will ensure that the interest in land is returned to Kitselas on the terms and conditions of reversion negotiated or determined under sections 24 and 25.
27. The return of an interest in Kitselas Lands under section 26 will not result in Canada or

British Columbia assuming financial or other obligations, unless agreed to in writing at the time of the expropriation.

28. Where Kitselas becomes the registered owner of the fee simple interest in a parcel of land that is returned to Kitselas under section 26, Kitselas may give notice to Canada and British Columbia that the parcel is to be added to Kitselas Lands.
29. Upon receipt by Canada and British Columbia of a notice under section 28, the Parties will:
  - a. amend the applicable Appendix in accordance with paragraph 9 of Chapter 31 Amendment to reflect the addition of the parcel; and
  - b. take the steps required to have the parcel recognized as Kitselas Lands in the Land Title Office,and the land will become Kitselas Lands when the amendment takes effect.
30. The Federal Expropriating Authority or other entity that holds the expropriated interest may decide, without the consent of the Governor in Council, that the expropriated interest in land is no longer required and may determine the disposition of any improvements made to the land in a manner consistent with an agreement reached under section 24 or the outcome of arbitration under section 25.
31. Where the expropriated interest in Kitselas Lands is held by an entity other than the Federal Expropriating Authority, the entity will provide notice to Canada when the interest is no longer required.

### Disputes

32. Except as otherwise provided in sections 7, 13, 18 and 25 of this Appendix, Chapter 29 Dispute Resolution does not apply to disputes respecting the interpretation, application or implementation of paragraphs 114 to 119 of Chapter 3 Kitselas Lands or this Appendix.
33. For greater certainty, a dispute in relation to a matter under sections 13, 18 or 25 will not delay the expropriation.
34. Without limiting the generality of paragraph 15 of Chapter 1 General Provisions, this Agreement prevails to the extent of a Conflict with the federal *Expropriation Act* or other Federal Law relating to the expropriation.

## **Appendix I: Expropriation Procedures**

### **Part 2: Provincial Expropriation Procedures**

#### **General**

1. A Provincial Expropriating Authority may expropriate an interest or estate in Kitselas Lands only with the consent and by the order of the Lieutenant Governor in Council.
2. Except to the extent that this Agreement modifies the application of Provincial Law, Provincial Law applies to the expropriation of Kitselas Lands by a Provincial Expropriating Authority, including the process and procedures under Provincial Law.

#### **Purchase of Kitselas Lands**

3. A Provincial Expropriating Authority will notify Kitselas of its intention to acquire Kitselas Lands.
4. If a Provincial Expropriating Authority and the owner of an interest or the fee simple estate in Kitselas Lands are unable to reach an agreement on the acquisition of the interest or the fee simple estate under paragraph 108 of Chapter 3 Kitselas Lands, the Provincial Expropriating Authority may proceed with expropriation in accordance with the applicable Provincial Law and this Appendix.
5. If a Provincial Expropriating Authority other than British Columbia has determined that:
  - (a) it requires a fee simple estate in Kitselas Lands; and
  - (b) the fee simple estate may no longer be Kitselas Lands given the purposes for which the land is to be used,

then, notwithstanding any agreement for the purchase of the fee simple estate in Kitselas Lands, the removal of the fee simple estate from Kitselas Lands requires the consent of the Lieutenant Governor in Council having regard for all relevant factors under section 7.

#### **Lieutenant Governor in Council Consent**

6. The Lieutenant Governor in Council may issue an order consenting to an expropriation of Kitselas Lands by a Provincial Expropriating Authority only:
  - (a) after the conclusion of the procedures described in sections 9 and 10; and
  - (b) if satisfied the expropriation is justifiable under section 7 based on:

- (i) information furnished by the Provincial Expropriating Authority; and
  - (ii) if an inquiry has been held under Provincial Law, the inquiry officer's report.
7. For the purposes of section 6, an expropriation is justifiable if the Lieutenant Governor in Council is satisfied that, in addition to the applicable requirements under Provincial Law, the following requirements have been met:
- (a) there is no other reasonably feasible alternative to the expropriation, including the use of lands that are not Kitselas Lands;
  - (b) reasonable efforts have been made by the Provincial Expropriating Authority to acquire the Kitselas Lands through agreement with the owner;
  - (c) the Provincial Expropriating Authority has confirmed that the proposed expropriation is of the most limited interest or estate necessary and for the shortest time required;
  - (d) in the case of a request by a Provincial Expropriating Authority other than British Columbia for the removal of a fee simple estate from Kitselas Lands under section 5, the Provincial Expropriating Authority has confirmed such removal of is necessary for the purposes for which the land is to be used;
  - (e) if Kitselas has objected to the expropriation, reasonable efforts have been made to resolve the objection;
  - (f) if the Kitselas Lands are held by Kitselas and Kitselas has designated all or a portion of those lands as a Kitselas Heritage Site under Kitselas Law, reasonable efforts have been made to minimize or, where possible, avoid impacts on those portions of the lands that have been designated as a Kitselas Heritage Site; and
  - (g) information relevant to the expropriation, other than documents that would be protected from disclosure under Provincial Law, has been provided to Kitselas, including:
    - (i) the Provincial Expropriating Authority's report referred to in section 9; and
    - (ii) the inquiry officer's report, if an inquiry has been held under Provincial Law.
8. Notwithstanding sections 6 and 7, the Lieutenant Governor in Council may consent to the expropriation if the Minister or Lieutenant Governor in Council has declared a state of emergency.

**Expropriation Process**

9. Before the Lieutenant Governor in Council makes a decision under section 6, the Provincial Expropriating Authority will provide Kitselas with a report which states the reasons for the expropriation and addresses the factors under section 7(a) to (f).
10. Within 30 days of receipt of the report under section 9, Kitselas will notify the Provincial Expropriating Authority if Kitselas objects to the expropriation of Kitselas Lands and, within 30 days of the Provincial Expropriating Authority's receipt of notice from Kitselas, the Provincial Expropriating Authority and Kitselas will make reasonable efforts to resolve the objection raised by Kitselas.
11. If the Provincial Expropriating Authority and Kitselas are unable to resolve Kitselas's objections under section 10, the Provincial Expropriating Authority may proceed with the expropriation of Kitselas Lands with notice to Kitselas and any person entitled to notice under Provincial Law.
12. For the purposes of section 11:
  - (a) Kitselas may participate in any inquiry under Provincial Law relating to the expropriation of Kitselas Lands and, whether or not Kitselas participates in the inquiry, Kitselas will be entitled to receive the inquiring officer's report submitted to the approving officer; and
  - (b) if Kitselas Lands are not registered in the Land Title Office, the requirements under Provincial Law to file the expropriation notice in the Land Title Office will not apply.
13. The Lieutenant Governor in Council is the "approving authority" under Provincial Law in relation to an expropriation of Kitselas Lands.
14. Unless otherwise agreed by Kitselas and British Columbia, if a Provincial Expropriating Authority expropriates a fee simple interest in Kitselas Lands, the Parties will:
  - (a) amend the applicable Appendices in accordance with the process set out in paragraph 9 of Chapter 31 Amendment to reflect the expropriation; and
  - (b) take the steps required to have the parcel no longer recognized as Kitselas Lands in the Land Title Office,

and the parcel of land will cease to be Kitselas Lands when the amendment takes effect.

15. If the Lieutenant Governor in Council has consented to the expropriation of Kitselas Lands and those lands are not registered in the Land Title Office, Kitselas will, at the request of the Provincial Expropriating Authority, register the lands in the Land Title Office in accordance with Chapter 5 Land Title and the Provincial Expropriating Authority will be responsible for the transaction costs of surveying, registering and transferring the land, if applicable.

### **Compensation**

16. If the Lieutenant Governor in Council has consented to a Provincial Expropriating Authority's expropriation of Kitselas Lands, the Provincial Expropriating Authority will, subject to sections 19 and 20, compensate the owner of the land based on the criteria set out in Provincial Law.
17. If the Provincial Expropriating Authority and the owner of the land disagree on the amount of compensation, the amount of compensation will be determined in accordance with Provincial Law and this Agreement.
18. A dispute under section 17 will not delay the expropriation.

### **Replacement Land**

19. If a fee simple estate in Kitselas Lands is expropriated by a Provincial Expropriating Authority, before offering compensation in accordance with Provincial Law, the Provincial Expropriating Authority will first make reasonable efforts to identify and offer replacement land of comparable value within the Kitselas Harvest Area to the owner whose land is expropriated.
20. If there is no agreement on replacement land offered under section 19, or the replacement land is of less than comparable value, the Provincial Expropriating Authority will provide the owner with other or additional compensation in accordance with Provincial Law.
21. At the request of Kitselas, British Columbia will consent to the replacement land being added to Kitselas Lands and, where Canada consents to such replacement lands becoming Kitselas Lands in accordance with a request under paragraph 96 of Chapter 3 Kitselas Lands, upon receipt by Kitselas of notice of the consent of each of British Columbia and Canada, the Parties will:
  - (a) amend Appendix B in accordance with the process set out in paragraph 9 of Chapter 31 Amendment; and
  - (b) take the steps required to have the replacement land recognized as Kitselas Lands in the Land Title Office,

and the replacement land will become Kitselas Lands when the amendment takes effect.

### **Return of Expropriated Kitselas Lands**

22. If a Provincial Expropriating Authority no longer requires the expropriated interest or estate, the Provincial Expropriating Authority will not dispose of the land without first offering the owner from whom it was taken or, where such owner does not wish to acquire the land, Kitselas, a right of first refusal to acquire the land.
23. If land was expropriated and removed from Kitselas Lands, and that land is acquired by the owner from whom it was taken or by Kitselas following an offer made under section 22, Kitselas may provide notice to Canada and British Columbia that the parcel is to be added to Kitselas Lands.
24. If Kitselas is not the owner of a parcel land in relation to which it provides notice under section 23, Kitselas must also provide, in relation to that parcel, the releases and certificates identified in paragraph 43 of Chapter 3 Kitselas Lands.
25. Upon receipt by Canada and British Columbia of notice under section 23 and any releases and certificates required under section 24, the parcel will be added to Kitselas Lands in the same manner described in paragraph 44 in Chapter 3 Kitselas Lands.

### **Subsurface Resources**

26. Unless British Columbia and Kitselas agree otherwise, the expropriation and removal of a fee simple estate from Kitselas Lands under section 7(d) will include Subsurface Resources.
27. British Columbia acknowledges Kitselas's interest in retaining ownership of the Subsurface Resources for any expropriation of Kitselas Lands in fee simple.
28. Kitselas will own the Subsurface Resources on or under any replacement lands or lands that are added to Kitselas Lands under section 21 where:
  - (a) the fee simple includes ownership of the Subsurface Resources; or
  - (b) British Columbia owns the Subsurface Resources.
29. For purposes of subsection 28(b), any Subsurface Tenures and the Tenured Subsurface Resources will be administered by British Columbia accordance with paragraphs 9 to 18 of Chapter 4 Subsurface.

**Kitselas Law-Making Authority**

30. Nothing under Kitselas Law, including any restrictions on the ownership of Kitselas Lands, prevents the expropriation of Kitselas Lands in accordance with this Agreement and Provincial Law.
31. Kitselas Laws apply to an interest expropriated in accordance with this Appendix, except:
  - (a) to the extent that a Kitselas Law, or a use or occupation authorized by Kitselas Law, is inconsistent with the use of land for which the purposes for which the expropriation took place; or
  - (b) the interest is an estate in fee simple removed from Kitselas Lands.

  - 1.6 If any section of this Agreement, or any part of a section, is found to be illegal or unenforceable, that section or part of a section, as the case may be, will be considered separate and severable and the remainder of this Agreement will not be affected and this Agreement will be enforceable to the fullest extent permitted by law.

- 6.5 You acknowledge that we may, from time to time, notify you to

41. A Panel Member, or anyone retained or employed by the Panel Member, is not
-

compellable in any proceeding to give evidence about any oral or written information acquired or opinion formed by that individual as a result of the Reference, and all Parties will oppose any effort to have that individual or that information subpoenaed.
