The Honourable Harry Bains
Minister of Labour
PO Box 9064, Stn Prov Govt
Victoria, BC,

Dear Minister Bains,

I am writing with respect to your current consultation on the *Recommendations for Amendments to the Labour Relations Code*. You will have received a submission from the Canadian Credit Union Association (CCUA), the national trade association for credit unions and caisses populaires outside Quebec.

While we are an active member of the CCUA, and credit unions are aligned on many issues, there are times when we have differing views from each other. You will see that Vancouver City Savings Credit Union is not a signatory to the CCUA submission and we would like to be clear that the views expressed by the CCUA on this matter do not reflect our own.

Please let us know if we can be of any assistance.

Kind regards,

Tamara Vrooman
