

Broadway Subway Project

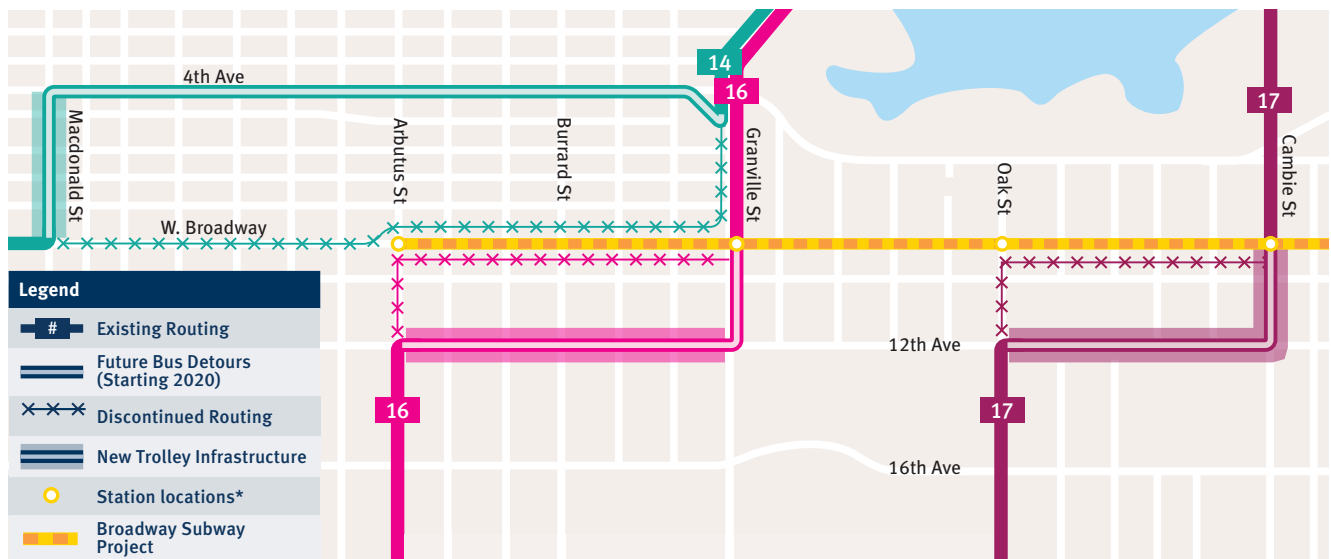

Early Works – Trolley Wire Relocation

Trolley bus routes 14, 16 and 17 will be relocated to adjacent streets before construction begins to keep Broadway safe for workers and the public while keeping buses, people and traffic moving during construction.

- › Trolley wires are being installed for these temporary bus detours along:
 - › Macdonald Street, between 4th Ave and Broadway;
 - › 12th Ave, between Arbutus and Granville Street, and Oak and Cambie Street; and
 - › Cambie Street, between Broadway and 12th Ave.
- › The 9 and 99 buses will remain on Broadway throughout construction.

Changes to existing bus routes and new bus stop locations will be shared in advance of any service changes in 2020. For questions please call TransLink Customer Information at 604-953-3333 or e-mail publicengagement@translink.ca.
