Dear Ms. Patterson:

Re: Workers' Compensation System Review

Attached please find the submission of the Employers' Forum supported by 45 other business associations in response to your review of the BC Workers' Compensation System Review as set out in the Terms of Reference dated March 4, 2019 signed by Hon. Harry Bains, Minister of Labour.

We look forward to receiving the summary of new issues which arose in the public consultations, which you indicated you will be providing to us by July 26, 2019. We then look forward to the opportunity to meet with you to discuss these and any other issues you wish to discuss. If necessary, we will provide you with a further submission on those additional issues.

We look forward to hearing from you in the near future. If you have any questions, please do not hesitate to contact me.

Yours truly,
