

# Public Notice

## Phase 2 Consultation: George Massey Tunnel Replacement

### March 11 - April 2, 2013

The Ministry of Transportation and Infrastructure is undertaking Phase 2 consultation for the George Massey Tunnel Replacement Project, beginning March 11, 2013. Communities, stakeholders and the public are invited to learn more and provide input.

Phase 2: Exploring the Options builds on community and stakeholder feedback from Phase 1: Understanding the Need, and seeks input on potential tunnel replacement scenarios and the criteria to evaluate these scenarios.

This multi-stage planning initiative will incorporate technical analysis and broad-based community, business and public input to help determine the most appropriate solution to meeting the growing needs of communities, businesses and stakeholders that rely on the tunnel. By starting now, we maximize the potential to make the best decisions to benefit British Columbians.

### We Want to Hear from You - Learn More and Get Involved Today

#### PARTICIPATE ONLINE

Phase 2 consultation will take place between March 11 and April 2, 2013. The deadline for feedback is April 2.

Visit [masseytunnel.ca](http://masseytunnel.ca) to learn how you can get involved:

- Attend an **Open House** in Richmond, Surrey or Delta
- Read **Consultation and Technical Information** (Available online March 11)
- Complete a **Feedback Form** (online or hardcopy)
- Register to attend a community **Stakeholder Meeting\***
- **Sign-up** to receive ongoing updates

\* If you would like to attend a stakeholder meeting please contact the project office to register.
