Dear Ms.Polak:

RE: Water Sustainability Act for BC, Legislative Proposal Consultation Period

Please be advised the following recommendation was adopted by the Sunshine Coast Regional District Infrastructure Services Committee meeting held November 7th, 2013.

Recommendation No. 14 *Water Sustainability Act for BC*

The Infrastructure Services Committee recommended that the correspondence dated October 23, 2013 from the Minister of Environment regarding a Water Sustainability Act for BC: Legislative Proposal be received;

AND THAT the SCRD Chair send a letter to the Minister of Environment expressing concern about the short consultation period;

The Sunshine Coast Regional District is concerned the short consultation period is insufficient to allow for a comprehensive review of the Water Sustainability Act Legislative Proposal released on October 18, 2013. We are requesting an extension of the submission deadline to allow for our comprehensive review.

Should you have any questions concerning this request, please do not hesitate to contact the undersigned.

Yours truly,

SUNSHINE COAST REGIONAL DISTRICT
