Personal Identifiers Removed

On November 9th, 2013, eighteen Vancouver Island water-related stewardship groups met in Nanaimo. All groups have stated that the one month deadline of November 15 for public input is inadequate time to respond, in light of the fact it took the Province three years to complete the proposal. The Island groups have written to the Legislative Assembly demanding the timeline for public review be extended to March 1st, 2014.

Sincerely,
